MELAMINE DINNERWARE

Durus® Dinnerware

Carlisle continues to offer interesting color and pattern options in the Durus Dinnerware line. Enticing Caribbean & Mediterranean colors & new contemporary patterns can combine to create an attractive table setting.

Caribbean Colors

Coordinating Tumblers, Ramekins & Soup Bowls are also shown above. Additional information on coordinating pieces can be found in the Drinkware & Tabletop Accessories catalog sections.

- High quality, heavy-weight melamine dinnerware has the look and feel of china without the replacement cost
- Available in solid colors as well as classic and contemporary designer patterns
- Minimize your scratch and stain problems with our exclusive mirror-like glaze
- See a return on investment in less than 18 months in most operations after switching to Durus from china
- Reduced dinnerware drying time due to the advanced Durus foot design and slick water-sheeting glazed surface
- Save money with our Durus four-year warranty* against breakage – the best guarantee in the industry
- Mix and match Durus side dishes with china plates for a beautiful tabletop that costs less to maintain
- Durus dinnerware can be decorated, see page 295 for details
- Safe for temperatures up to 212°F
- NSF Listed; dishwasher safe

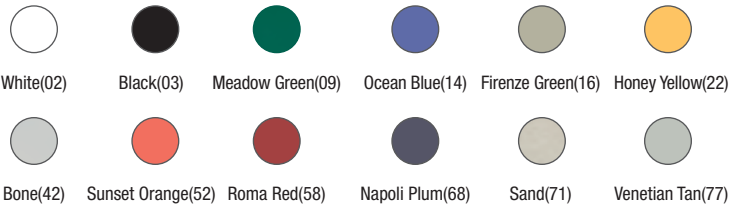

*See page 304 for complete warranty information

PAPER PRODUCTS

Custom Placemat Designs

Let Carlisle design a special placemat, customized exclusively for you. Placemats feature high quality paper and graphics, and are printed using soy based ink.

Custom Napkin Designs

Carlisle facial quality 2-ply napkins let you coordinate a colorful and attractive display for every setting.

- Dinner Napkins
- Cocktail Napkins
- Trimline Napkins

Minimum order quantities apply for custom designs. Six week lead time needed for production. Contact your sales representative for additional information.

The Cutlery Caddy

The Cutlery Caddy is a unique printed sleeve pre-loaded with a 2-ply 16" x 16" Trimline facial quality tissue napkin. Utensils can then be inserted for a clean, sanitary presentation with an upscale look. Two colors are available with the Bon Appetit design, as well as our Filigree pattern. The kid's "Surprise Kit" is printed with line art and each case contains colored pencils for after meal fun.

- Cuts labor costs for wrapping utensils
- Perfect for catering
- Room to insert catering condiments
- Can be used with stainless or plastic utensils
- Ask your sales representative about custom cutlery caddies

Utensil, Coffee and Condiment Kits

- Perfect for catering, take out, room service and in-room coffee stations
- Condiments, napkins, straws, and cutlery are sealed for sanitation and freshness
- Available in any configuration
- Ask your sales representative about customized kits

The CaféKit includes sugar, sugar sub, creamer, coffee stirrers and a 2-ply napkin.

The utensil kit includes black heavy-weight knife, fork and teaspoon.

For a complete list of paper products, see the Carlisle | Dinet catalog or visit our online catalog www.carlislefsp.com.

DINNERWARE

Commercial Dinnerware

- Designed for corrections, hospitals, schools, long term care facilities, or anywhere long product life and economy are important

RAMEKINS

Straight Sided Ramekins

- Melamine ramekins are safe for temperatures up to 212° F
- A modern take on a traditional product
- Use for sauces, condiments and mini desserts
- Ramekins stack for easy storage and space savings
- NSF Listed; dishwasher safe

Oval Ramekins

- Heavy-weight melamine ramekins are perfect for sauces, condiments, finger foods, mini desserts, etc.
- Oval shape is great for pouring dressings and sauces
- Wide design makes dipping easier
- NSF Listed; dishwasher safe

Square Melamine Ramekins

- Made of sturdy, break-resistant melamine
- 2 oz square ramekins available in single and double sizes
- Ramekins are stackable and can be used as a set for a variety of dipping sauces, or individually for soy sauce and other condiments
- Safe for temperatures up to 212°F
- NSF Listed; dishwasher safe

Japanese Style Ramekin

- Made of sturdy, break-resistant melamine
- 2 oz ramekins are styled with an Asian flare
- Heavy-weight design has the look and feel of ceramic or glass
- Ramekins are stackable and can be used for wasabi, ginger, or a variety of dipping sauces
- Safe for temperatures up to 212°F
- NSF Listed; dishwasher safe

Scalloped Melamine Ramekins

- Made of thick walled, heavy-weight melamine
- Stylish design coordinates with our dinnerware and display pieces
- Serves sauces, butter, salad dressings, salsa, etc.
- NSF Listed; dishwasher safe

Melamine Butter Dish

- Ideal for small portions of butter, wasabi, or other condiments
- Wide mouth gives the illusion of a larger portion
- Heavy-weight sides have the look and feel of ceramic or glass
- Unique look is perfect for casual dining, upscale, or even pre-portioning in buffet and catering applications
- NSF Listed; dishwasher safe

MELAMINE DISPLAYWARE

Balsam™ Displayware

- Clean lines and simple shapes make Balsam Displayware ideal for environments where prepared food is displayed in front of the customer
- One of the most environmentally friendly commercial grade melamines available in the market
- Made from 50% sustainable natural resources versus 20% in standard melamine
- Contains a material that will begin to biodegrade in 90 days in a compostable environment
- Withstands the rigors of commercial foodservice dishwasher use
- Maintains its appearance after one year of dishwasher testing
- Durable melamine is stain, scratch and break-resistant, making it ideal for any foodservice operation
- Safe for temperatures up to 212° F
- NSF Listed; dishwasher safe

Flared Square Bowls

- Large display bowls coordinate with many other Carlisle pieces
- High quality, heavy-weight melamine
- Safe for temperatures up to 212°F
- NSF Listed; dishwasher safe

44411

Mediterranean Tile (shown left)

A classic tile pattern created in beautiful Mediterranean colors for alluring presentations. The Mediterranean Tile pattern mixes beautifully with our Roma Red, Napoli Plum, Firenze Green, Venetian Tan and Bone pieces.

Spanish Tile (shown right)

Inspired by the warmth and elegance of Spanish Colonial, this dramatic displayware will help you create equally elegant and inspired tablesettings. The Spanish Tile pattern can be accented with our Sunset Orange, Honey Yellow and White dinnerware, Crystalon™ RimGlow™ Tumblers, Handled Soup Bowl & More!

Himalayan (shown left)

A dramatic setting for the exciting flavors, colors, and textures of your most popular dishes. Palette's Himalayan pattern is complimented by our Venetian Tan, Black and White pieces.

Modern Squares (shown right)

A fresh look with bold colors to showcase your tablesetting with a touch of retro chic. The Modern Squares pattern mixes beautifully with our Black, White and Venetian Tan pieces.

Double-Wall Stainless Steel Displayware

- Beautiful heavy-duty, stainless steel displayware designed for delis, buffets, and special event service
- The modern hammered finish hides scratches for a longer life
- Double wall construction provides insulation to help with temperature retention with both hot and cold foods; no need to preheat or chill
- Double wall construction with air insulation prevents sweating for a fresher looking display
- 609201, 609202, 609203, and 609204 bowls have dual-base indentions allowing bowls to sit flat or at an angle for a more dramatic display and easy food access
- Keeps food under 41° F for up to 2 hours or more

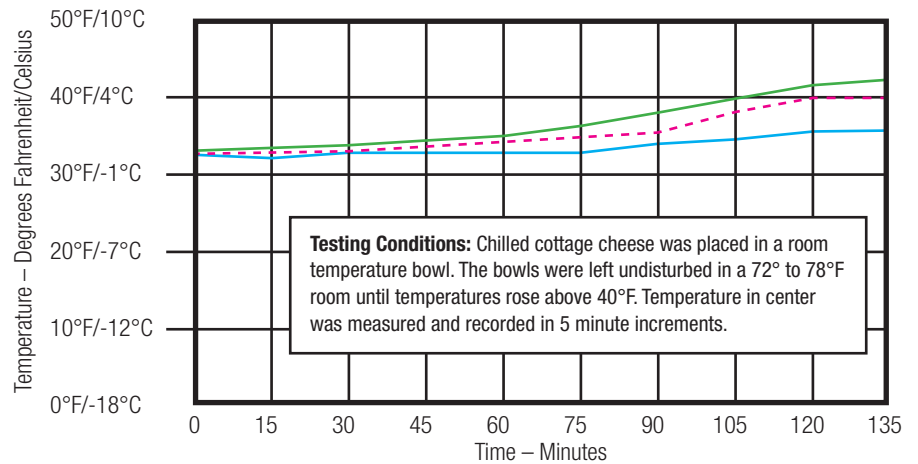

Double-Wall Insulation Maintains Serving Temps

Double Wall Construction/Air Insulation:

- Helps with temperature retention for both hot and cold foods
- Keeps food under 41° F for up to 2 hours or more

- 609211 3.5 qt, 10" Square Bowl
- 609209 4.38 qt, 10-3/4" Serving Bowl
- 609204 9.5 qt, 14" Dual Angle Bowl

PREMIUM CHAFERS & URNS

Premium Chafers & Urns

Aspen Buffet Line

- The premium heavy-weight construction of Aspen Chafers and fine crafted, hand-finished materials combine to create the ultimate presentation for your buffet
- Heavy-weight chafers have solid legs and solid-weld construction
- Aspen combines elegant styling in gleaming care-free 18-10 stainless steel with chrome-plated legs
- Chafers offer a smooth gliding hinge for one-touch operation and their self-regulating lid opens to any position with a simple push
- Roll-Tops also feature a condensation return system and detachable covers for easy handling and cleaning
- Beautiful, clean styling and a smooth glide faucet
- Full drip guards keep tabletops clean
- Premium chafers come complete with 2.5" DuraPan™, water pan, fuel holder(s), and a Clutter Buster™ for storage and transport
- See pages 84 & 85 for a list of chafer accessories
- Replacement parts are listed on page 298

BEVERAGE URNS & ACCESSORIES

Contemporary Beverage Urns

- Decorative spigot handle is threaded into a welded and sealed stainless steel tube to eliminate leaks
- Heavy-weight beverage urns have seamless, one-piece body and double-wall covers
- Heavy gauge, mirror-polished 18-8 stainless steel resists corrosion and is virtually maintenance free
- Urns have sturdy solid legs and welded construction
- Solid brass accents have a clear coating that protects against tarnish
- Comes complete with fuel holder
- Coordinates with chafers on pages 82 & 83

609635

609652

Marmites

- An attractive way to keep soups and sauces warm
- Heavy gauge, high polish 18-8 stainless steel resists corrosion and is virtually maintenance free
- Servers come complete with inset, water pan, notched cover, and fuel holder(s)

609595

609595 Universal Wire Lid Holder

Universal Wire Lid Holder

- Convenient, sanitary way to store covers for self-service in a small amount of space; helps prevent loss at offsite functions
- Allows condensation to run back into water pan, not on the table
- Attaches quickly and easily to all shapes and sizes of chafers with lift off covers
- Heavy gauge 18-8 stainless steel wire

Universal Roll-Top Cover

- Turns an ordinary chafier into an elegant roll-top
- Unique design allows for front loading and easy replenishment; no brackets or clips required
- Mirror-polish finish with brass handles
- Fits most rectangular chafers with a dripless water pan

609590

Electric Water Pan

- Use electric water pans to convert standard fuel chafers
- Electric water pan has adjustable thermostat and holds one full-size or two half-size 2.5" deep food pans
- Heating elements offer 450 watts of startup power; standard 110-120 volt, 60 Hz; UL listed
- Self-regulating heating element keeps food at correct serving temperatures; safety indicator light signals in-use
- At maximum setting, water in pan will be heated to approximately 185° F

Cash 'N Carry

Selected products also available in a cash 'n carry pack. See page 277.

607830EW

607830EW shown with 609600 8 qt Manhattan™ Roll-Top Chafers

Electric Water Pan works with most standard size lift off lid chafers

609650E

609523E

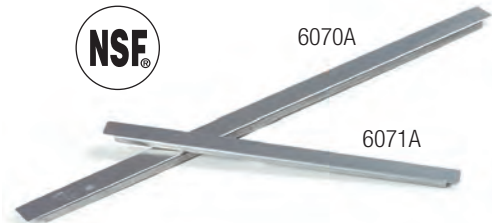

609571E

Clutter Busters™

- The perfect solution for chafers storage or transport for offsite catering
- Protects chafers from dents and scratches, keeping your chafers looking new longer
- Tough polyethylene construction with lockable hinged cover
- Clutter Busters stack for more efficient storage and nest for compact storage when empty

Adapter Bars

- Offer greater flexibility
- Allows use of fractional size food pans in our chafers
- NSF Listed; dishwasher safe

ICE SCULPTURES

SHR1

SGR1

SCL1

SSW1

SEA1

SD01

SBA1

SBG1

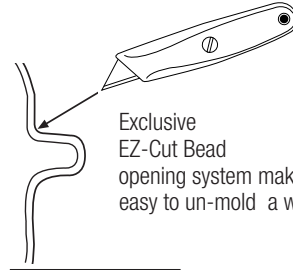

SFI1

Illuminated Trays

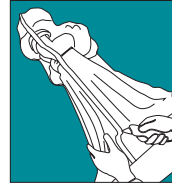

- Perfect for use at buffets or banquets, or as an accent for ice sculptures
- Light boxes come with Blue, Red, and Yellow colored panels
- Light box is UL listed, fuse protected and operates on 115 volt/60 cycle AC
- Drain kits included

Ice Sculptures

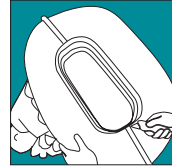

- Quick and easy way to turn any table into a showpiece
- Fill mold with water, freeze (48-72 hours), and cut open the mold
- Features patented EZ-Cut Bead™ and Contracting Cone Base™
- One time use
- Instructions included with every Ice Sculpture

Exclusive EZ-Cut Bead opening system makes it quick and easy to un-mold a work of art.

Contracting Cone Base allows for expansion while freezing to eliminate the major cause of cracking and breaking in the freezing process.

SL6011L

SL6011TC*

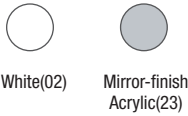

MirAcryl™ Cubes

- Design allows smaller size cubes to nest inside larger cubes for convenient storage
- Invert to use as ice bucket or wine server
- Light-weight, break-resistant acrylic

MirAcryl Mirrored Display Trays

- Beautiful, durable display pieces are easy to clean
- Made of light-weight acrylic
- Two-sided surface – use Mirrored or solid Black side for display

COLDMASTER®

The Coldmaster Story

- Coldmaster system eliminates the inconvenience and mess of ice, as well as reduces the potential for bacteria

Coldmaster Products Exceed Health Department Requirements

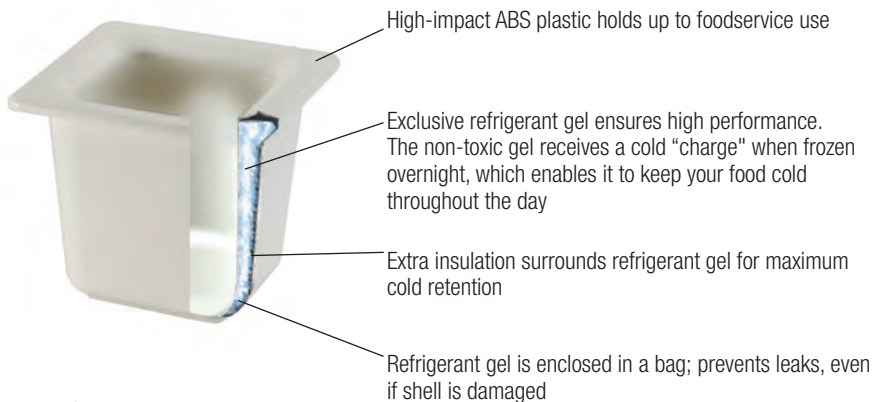

- With one overnight charge in your freezer, each Coldmaster keeps food at or below the ServSafe®* guidelines of 40°F for up to eight hours**

Coldmaster Products Meet FDA Standards

- All Coldmaster products are filled with an exclusive non-toxic refrigerant gel
- Constructed of high-impact ABS plastic
- Dishwasher safe

Inside The Coldmaster Solution:

Coldmaster Standard Food Pans & Lids

Designed to fit in Standard Sized Food Pan Templates

- Save time and labor by placing food directly into Coldmaster Standard Pans
- Third-size divided splits into two sixth-size food pans
- NSF Listed

*ServSafe is a registered trademark of the National Restaurant Association

Coldmaster® Coldpans

Designed with the same capacity as traditional style food pans; will hold DuraPan™ Food Pans (page 174 & 175)

- Designed to hold and keep standard food pans cold
- CM1049 Pan Organizer is a 6" deep full size coldpan designed to hold (9) ninth-size food pans for easy organization
- NSF Listed

CROCKS

Classic Crock

- Thick-walled, heavy-weight design; made of SAN
- Excellent chemical resistance to food acids and dressings
- High-gloss finish is extremely scuff-resistant
- 0° to 180°F temperature range
- 0.6 quart crock fits inside 1.2 quart crock for smaller portions
- Translucent snap-on lids included
- NSF Listed; dishwasher safe

Poly-Tuf™ Crock

- Optimum wall design gives greater break-resistance
- Glossy-finish crocks resist chipping and cracking
- Withstands temperatures from 32° to 180° F
- Translucent snap-on lids included
- NSF Listed; dishwasher safe

Supreme Crock

- Same features as our Classic Crock but with a 1.5" deep rim
- Gives a stylish bowl-like appearance when dropped into food bar templates
- 6.5" diameter (under rim) fits most template openings
- Translucent snap-on lids included
- NSF Listed; dishwasher safe

0365

0372

Gourmet Crock

- Unique bowl shaped rim with deep crock base
- Stylish frosted pattern on rim helps hide scratches
- Break-resistant polycarbonate takes heat up to 212°F
- Translucent snap-on lids included
- NSF Listed; dishwasher safe

7039

Classic Crock Condiment Station

- Includes organizer, three clear 2.7 quart Classic Crocks with Standard Pumps and Lids
- Organizer made of durable, scratch-resistant textured ABS plastic
- Holds standard size one gallon condiment or 2.7 quart Classic Crocks

COLOR-COORDINATED ACCESSORIES

Tongs, ladles, and spoons are a one-piece construction and available in a variety of colors.

Tongs

High Temperature Carly® Tongs

- Carries a two-year warranty
- Made of revolutionary plastic material for strength and longevity
- Can be used on high temperature surfaces like steam tables
- Withstands heat up to 300°F
- NSF Listed; dishwasher safe

Clear Carly Tongs

- Break-resistant polycarbonate
- Recommended for temperatures up to 212°F; and dry heat up to 270°F
- NSF Listed; dishwasher safe

Ladles

Carly Ladles

- Carries a two-year warranty
- 1 ounce, oval-shaped bowl allows pouring from both sides
- Available in 9.5" and 13.5" lengths
- NSF Listed; dishwasher safe

Standard Ladles

- Carries a two-year warranty
- .75 ounce bowl with spouts on each side for easy pouring
- Available in 10.5" length
- NSF Listed; dishwasher safe

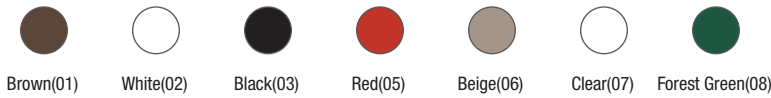

Serving Spoons, Buffet Spoons & Pasta Forks

- Carries a two-year warranty
- Recommended for temperatures up to 212°F
- Withstands dry heat up to 270°F
- Serving Spoons have notch in handle so spoon can rest on edge of food pan
- NSF Listed; dishwasher safe

Salad Spoon

- Large flat edge for easy scooping
- 7.25" handle for easy reach
- Durable SAN material
- NSF Listed; dishwasher safe

FOOD BARS

Maximizer™ Food Bar

- 6 foot Maximizer Food Bar offers upscale European styling
- Holds six full size food pans (20% more than any other similar system)
- Use with ice or with Coldmaster® Standard Food Pans to keep food at 40°F or below for up to eight hours
- Double-sided acrylic sneeze guard attaches to post with six screw-in knobs
- Basin and cabinet come assembled - no tools required
- Replacements parts shown on pages 299 & 300
- NSF Listed

7711

Tilting sneeze guard makes it easier to clean and fill food bar and can be used as a service line sandwich bar

See our money saving coupon online at www.carlislefsp.com/ecoupons

Adapter Bars

Use with various food pans to set up a number of food bar configurations, see page 176 for more information

Double-sided extra-wide sneeze guard allows service from both sides

Easy-grip recessed handles in each corner of the basin for maneuverability

Four swivel, non-marking casters with brakes offer greater portability and stability

Molded from durable polyethylene and filled with thick polyurethane foam to keep food at correct serving temperatures for hours

Includes removable basin dividers

Built in food pan carriers have easy-open one-touch latch; use CaterCoolers™ (found on page 136) to keep foods cold even longer

Additional storage compartment with a built-in faucet for ice drainage behind its easy-open door

Six★Star™ Food Bars

- Molded with thick polyurethane foam for hours of insulation
- Use with ice or with Coldmaster® Standard Food Pans to keep food at 40°F or below for up to eight hours
- Two-piece acrylic shields allow for easy assembly
- Textured finish resists scratching and is simple to clean
- Faucet-type drain plug facilitates water removal
- Add tray slides and end shelves without removing legs
- Sturdy, recessed 5" non-marking swivel casters, two with brakes
- Easy to assemble
- Replacements parts shown on pages 299 & 300
- NSF Listed

6611 with 6621 Tray Slide

Six★Star™ Portable Enclosed Bars

- 6 foot unit with enclosed storage unit and sliding doors

6605 with 6620 Tray Slide

6608 with 6621 Tray Slide and 6625 End Shelf

6601

MAXIMIZER™ PORTABLE BAR

Maximizer Portable Bar's upscale styling is at home in any setting

Ergonomic 2-step bar and countertop is designed for ease of drink preparation and serving; large surface area keeps condiment caddies within reach without blocking the prep area.

7550

Built in cutting board for easy condiment preparation; can be removed for thorough cleaning.

Storage compartment includes molded-in rails; use with StorPlus™ 12" x 18" Food Storage Boxes.

Includes standard 22" Stainless Steel Speed-Rak™; holds 6 bottles or 6 Store 'N Pour® Quart containers.

Unique sliding storage drawer accommodates mixers, sodas, or standard bus boxes and can be removed for more versatile storage.

Large storage area under the drawer is perfect for staging glassware using our OptiClean™ Glass Racks.

See our money saving coupon online at www.carlislefsp.com/ecoupons

STORE 'N POUR®

Store 'N Pour

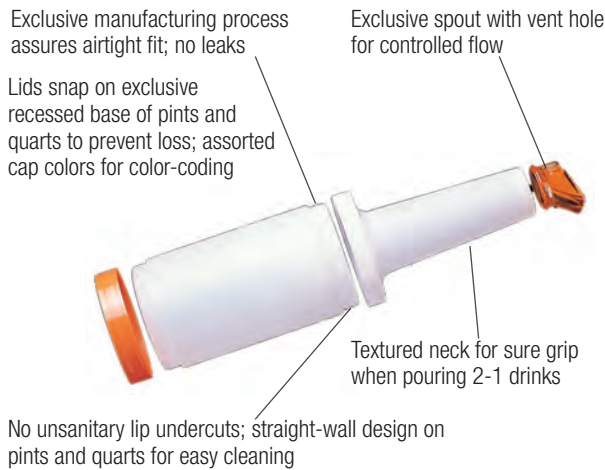

- Enjoy the benefits of the most efficient storing and pouring system for the bar, kitchen, or dining room
- Pour a perfect 2-1 drink every time with the patented vented spout design
- Two-piece spout and neck design for easy cleaning
- Exclusive manufacturing process ensures tight seal with no leaks
- Made of high density, break-resistant polyethylene
- Easy clean containers have straight wall design with no sharp interior edges that can collect food or bacteria
- Unique stacking ridge on quart and pint caps make storage on shelf in refrigerator easy and secure
- Color-coordinated spouts and caps for easy product identification

Store 'N Pour Bar Service Pack

- Includes six quart complete units (container, neck, and color-coordinated spout and cap), 18-quart backup units (container and cap) and 1-gallon backup unit (container with cap) for mixing

PS6012

Cash 'N Carry
 Selected products also available in a cash 'n carry pack. See page 278.

Store 'N Pour Versatility

Front-of-the-house use

Perfect 2-1 drinks are easy

Stackable backup storage

Back-of-the-house use

Pour batters and oils

The Essential Drink Mix System

1. Mix In One-Gallon Container
 Accurately measure and mix concentrate or powder in gallon containers. Its wide mouth eliminates the need for a funnel.

2. Cut Preparation Time
 Prepare mixes and juices in advance using the gallon storage container. At peak periods simply empty into a quart backup.

3. Transfer To Quarts
 Pour a gallon of mix into four easy-to-handle quart containers.

4. Ready To Use
 Attach neck with spout to one quart for use in speed rack. Cap the remaining three quarts for backup.

Store 'N Pour Complete Units & Backups

- Complete unit includes neck and container plus color-coordinated pouring spout and cap
- Backup unit includes cap and container
- Dishwasher safe

Store 'N Pour Speed Spout

- No-drip spout is vented to promote faster, more even flow

PourPlus™

PourPlus Complete

- Complete unit includes container, lid, and spout

PourPlus Spout

- PourPlus fits all Store 'N Pour containers
- Integrated neck and spout designed for fast free flowing pouring and easy clean-up
- Textured neck provides sure grip - even when wet
- Necks are color-coded

CONDIMENT CADDIES & ACCESSORIES

38322BH
Combine to make a double-hung unit

Stainless Steel Speed-Rak™ Bottle Holders

- Keyhole slots make installation and cleaning easy
- Mounts to bar sink with screws (provided)
- Unique design; single Speed-Raks can be combined to make a double-hung unit

38704CSIB

Stainless Steel Condiment Caddies

- Rugged stainless steel construction for years of use
- Rubber feet protect counter tops
- Full size hinged lid units protect condiments from spills and contaminants
- Individual compartment lids keep contents covered when not in use
- Notched lid models available for use with spoons or ladles
- Sanitary pint & quart inserts are easy to clean; (2) pints interchange with (1) quart, allowing you to mix and match to suit your needs

CH03

Stainless Steel Iced Condiment Caddies

- Insulated caddies use ice packs to keep condiments chilled and cold for hours without ice or electricity

SS105

Deluxe Condiment Caddy

- Solid frosted cover
- Includes caddy and individual containers

Plastic Condiment Caddy

- Solid frosted cover
- Includes caddy and individual containers

BC05

Bar Caddy

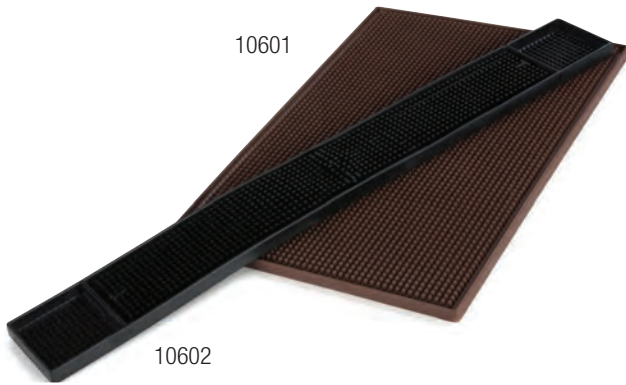

- Ideal bar-top holder that allows quick access to cocktail napkins, stirrers, and other accessories
- Break-resistant plastic

PS101CS

Store 'N Pour® Condiment System

- Condiment system includes tray with cover and six pint containers (PS502N) with assorted caps
- Assorted color caps provide easy identification; caps snap on the bottom for easy storage
- Acrylic covers protect condiments during service

3210, 3211

Bar Mat & Service Mat

- Non-slip mats help keep counter tops clean
- Molded-in pattern provides drainage for spilled drinks and wash downs with a sure grip for wet glassware
- Bar Mats have drainage area for jigger, main area holds up to six glasses

Bar & Shelf Liner

- Provides skid-resistance and high impact absorption; net pattern allows thorough drainage, promoting rapid, fog-free drying
- Helps prevent bacteria growth
- Resistant to food acids, grease, and detergents; conforms to FDA regulations
- Constructed of a firm, resilient plastic

Wine Servers & Coolers

Double Walled Wine Coolers

- Double walled construction keeps bottles chilled for hours (no need to pre-chill cooler or use ice)
- Prevents damaging surface condensation
- 18-8 stainless steel is more durable than marble coolers; never requires polishing
- Choose satin or mirror polish finish
- 609144 and 609145 also accommodate champagne bottles
- Hand wash only

609106

Wine Servers

- Wine Servers merchandise your wine selection
- Double-wall construction provides insulation, helps keep wine at proper temperatures

Red Wine Holder

- Satin finish 18-8 stainless steel never requires polishing
- Two rings orbit above the base to create an easy carry handle; bottles snap into handle for secure pouring
- Hand wash only

Wine Buckets & Stands

- Wine buckets and stands enhance any fine dining experience
- Choice of standard or double size wine bucket
- Stands are 24" high with heavy, weighted bases to prevent accidental tipping
- 18-8 stainless steel never requires polishing
- Mirror polish finish, hand wash only

FIBERGLASS TRAYS

Glasteel™ Fiberglass Trays

- Engineered to be the most durable fiberglass trays available
- Decorating option, see page 296 for additional information
- NSF Listed; dishwasher safe

Heavy-duty Glasteel Construction

- Metal reinforcing rods provide extra strength and eliminate warping
- Two thick reinforcing fiberglass core mats add strength and provide increased chemical resistance

Air Flow Corner Reinforcements

- Air flow corner reinforcements and stacking lugs make Glasteel trays your best choice for stability and drying when stacked
- Unique design permits air flow to all surfaces of stacked trays, reducing drying time

Available in a variety of colors, patterns, shapes and sizes

Rectangular — Regular and Low-Edge

- Low-edge trays have “squared-off” corners to permit dish overhang, fitting more serving items on a given tray size

Display/Bakery

- Ideal for displays and available in all colors and patterns

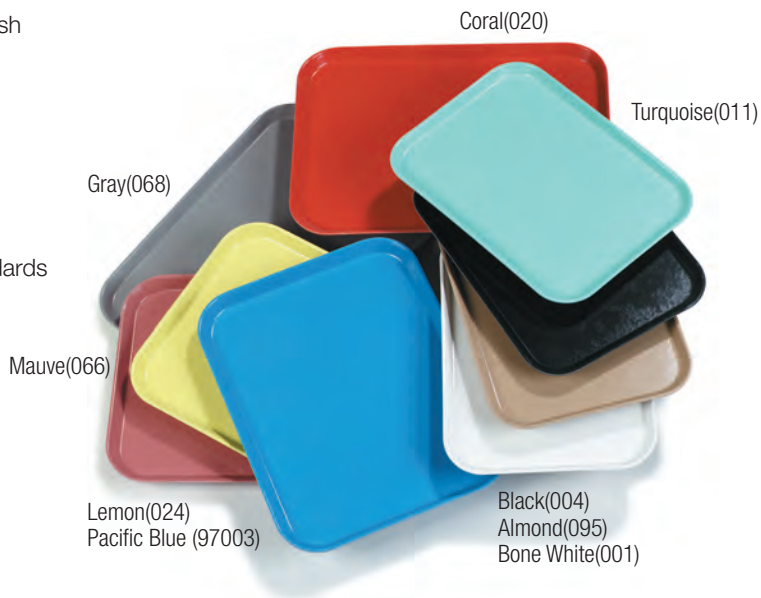

Trapezoid

- Space saving shape for better table fit

Euronorm/Metric Trays

- Accommodates Euronorm foodservice dimension standards

**Glasteel Fiberglass Tray
5 Year Warranty**
Carlisle FoodService Products warrants all of our Glasteel Fiberglass Trays for 5 years from the date of original purchase against breakage arising from normal use and service.

SERVICE TRAYS

Griptite™ Trays

- Rubber liner prevents slipping and sliding of glass and dinnerware
- Heavy-duty construction with metal reinforcement rods eliminate warping
- Rubber liner is permanently bonded to the tray and covers side wall and tray top to provide extra grip
- The 31" oval size helps reduce labor costs by serving an entire banquet table of eight with just one tray
- Trays are stain and odor resistant
- NSF Listed; dishwasher safe

Guarantee: Carlisle will replace at no charge any Griptite Tray that does not last 5 years from the date of purchase under normal foodservice conditions.

GripLite® Trays

- Economical trays are made of a high density polypropylene co-polymer
- Molded-in rubber liner prevents slipping and sliding of glasses and dinnerware
- A more sanitary alternative to cork trays
- Stain and odor resistant
- Does not have 5 year warranty like the Griptite Trays, shown above
- Handwashing is recommended

Cork Trays

- Available in economical, lightweight, break-resistant polypropylene for bar service or break-resistant, sturdy ABS for heavy-duty use and greater stability
- Both offer durable plastic construction and will not chip or dent
- The cork surface is bonded to the tray and treated to reduce wear and increase durability
- Replacement cork available on page 302
- Handwashing is recommended

Money Maids™ can be used with our Griptite, GripLite or Cork Trays! See page 117 for additional information.

Tray Stands

- Available in 3 forms: Steel, Wood & Plastic
- Cross supports provide superior rigidity and strength
- Durable and easy to clean
- Black plastic capped legs on steel tray stands prevent slipping and marring of floors
- Extra tall steel tray stand (C3625T) reduces need for bending and stooping; additional height makes transferring heavy loads easier
- Wood tray stands constructed of kiln-dried hardwood
- Plastic stand trays have sanitary, non-porous & non-corrosive finish that is easy to clean with a damp cloth
- Works best with Griptite and Griplite trays

COMPARTMENT TRAYS

Compartment Trays

- Carlisle offers the largest variety of sizes and compartment combinations available
- The 6-compartment trays hold government "Type A" lunch
- All materials are FDA approved

Material Choices:

Melamine

- Melamine is a heavy, rigid material with the look and feel of china
- It is very scratch and break-resistant
- Fast drying melamine is highly resistant to chemicals and food acids with a temperature range of 0° to 212°F
- NSF Listed; dishwasher safe

Polycarbonate

- Money saving trays carry a five-year warranty against breakage
- Highly break-resistant; perfect choice for correctional facilities
- Polycarbonate offers good scratch and chemical resistance with a temperature range of -40° to 212°F
- NSF Listed; dishwasher safe

Polypropylene

- Economical, durable choice
- Good chemical resistance
- Temperature range of 30° to 180°F
- Handwashing is recommended
- NSF Listed

ABS

- Break & scratch-resistant
- Excellent choice for general use
- Highly resistant to chemicals and food acids with a temperature range of 0° to 180°F
- NSF Listed; dishwasher safe

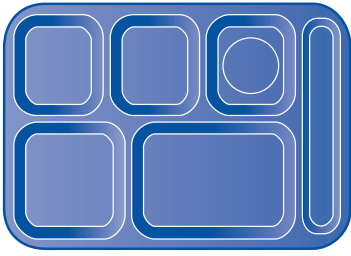

6-Compartment Trays

Left-Hand Compartment Trays, Right-Hand Compartment Trays

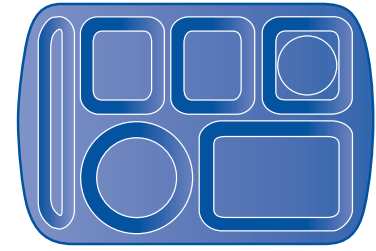

- Offer a greater variety of serving combinations with three smaller upper compartments, two larger lower compartments, and a flatware holder on right or left side
- Available in melamine, polycarbonate, ABS, and polypropylene
- NSF Listed, except when offered in Variegated(00)

Omni-Directional Trays Space Saver Trays

- Special design allows you to fit two trays side by side in dish rack for faster cycling time

PC180N

PC140N

Reshoot or color correct
 PC180N not available in green
 PC188N not available in brown

PC188N

PC160N

All Cateraide Pan Carriers

- Cateraide construction made of rugged, stain- and scratch-resistant polyethylene
- Filled with extra thick foam insulation for maximum temperature retention
- Exclusive automatic self-venting system eliminates unsanitary vent openings and easily lost vent caps
- Heat resistant to 200°F
- Replacement parts shown on pages 302
- NSF Listed

Cateraide Insulated Top Loaders

- Accommodates all third, half, and full size food pans
- PC188N top loader holds up to 8" deep food pan

Cateraide Insulated Sheet Pan & Tray Carrier

- Individual tracks accommodate seven 18" x 26" trays
- Use with sheet pans shown on page 151
- NSF Listed

TC1826N

PC600N

Cateraide Insulated End Loader Pan Carrier

- Individual track for each food pan
- PC300N end loader holds five 2.5" deep pans
- PC600N has twice the capacity of the PC300N
- PC600N's separate compartments enable you to put hot food in one; cold in the other
- NSF Listed

PC300N

Use with DuraPan™ or Top Notch® Food Pans shown on pages 178, 180 & 181

CaterCooler shown with PC300N End Loader

CaterCooler™

- Freeze CaterCooler overnight or for eight hours and it will keep food at or below the ServSafe® guidelines of 40°F for up to eight hours without ice*
- Designed to slide into a Cateraide End Loader, Double End Loader, or place on top of food pans in a Top Loader
- Durable polyethylene shell

ServSafe® is a registered trademark of the National Restaurant Association
 *Temperature retention is based on CaterCooler being pre-frozen for a minimum of eight hours, then placed directly into Cateraide pan carrier. Pan Carrier unit is then filled with pre-chilled food pans. Testing was conducted under ambient room temperatures of 76°F.

PC660

**Cateraide Dollies
Polyethylene Dollies**

- 4" heavy-duty, quiet and non-marking swivel casters
- Rolls easily on carpeted floors
- DL300R holds up to two Cateraide End Loaders (PC300N) or any Cateraide Top Loader
- XDL3000 holds up to two Slide 'N Seal End Loaders (XT3000R) when stacked
- NSF Listed

Aluminum Dollies

- Made of sturdy, light-weight, no-rust aluminum
- Plastic coated corner bumpers protect against marring furnishings
- 4" heavy-duty, quiet and non-marking swivel casters
- Rolls easily on carpeted floors
- DL300 holds up to two stacked Cateraide End Loaders
- DL1826 holds up to three stacked Sheet Pan Carriers

Cateraide Universal Dolly

- Moves up to 6 fully loaded top loaders with ease, even on carpeted floors
- 600 lb load capacity
- Eyelets for cargo straps
- 5" non-marking casters (2 rigid, 2 swivel-one with brake)
- NSF Listed

- NSF Listed

Latches

- Sure-Latch™ wide design has three times the latch area of other beverage servers for a secure seal
- Latches are mounted into steel reinforcement plates for long life
- NSF Listed

Faucet

- "Spring action" faucet for dripless service
- NSF Listed

Cateraide LD Series Insulated Beverage Servers

Body and Lid

- Made of rugged, stain- and scratch-resistant polyethylene
- Filled with extra thick foam insulation for maximum temperature retention
- Stacks with itself and with other major competitors
- Smooth interior walls and rounded corners leaves no food traps and provides quick clean-up
- Convex lid design prevents leaks during use as pressure increases
- Reinforced, tight-fitting lids with O-ring seals prevent leaks and provide increased heat retention
- Easy-grip, formed handles for transporting
- NSF Listed

Faucet

- “Spring action” faucet for dripless service
- NSF Listed

Latches

- Nylex II™ latches have no sharp edges, won't rust, bend or dent like metal and are mounted into steel reinforcement plates for long life
- NSF Listed

Cateraide Insulated Soup & Chili Servers

- Same high-quality features and construction as the standard Cateraide
- Perfect for transporting and serving soup and chili
- Stacks with 2.5 gallon and 5 gallon beverage servers
- There are no faucets
- NSF Listed

INSULATED ICE CADDIES

Cateraide™ Ice Caddies

- Cateraide construction made of rugged, stain- and scratch-resistant polyethylene
- Filled with extra thick foam insulation for maximum temperature retention
- Rounded inside corners and removable lid for thorough cleaning
- Stainless steel, reinforced hinges prevent rusting
- Easy rolling, heavy-duty 5" casters
- Replacement parts shown on pages 302

200 Lb Caddy

- Lid opens and lays flat against side of unit to conserve space
- Front faucet for fast drainage and easy cleanup; inside has sloped base for complete drainage
- Includes convenient shelf; allows water to drain away from ice
- Dual handles for easy maneuverability
- 10" non-marking back wheels roll easily over rough surfaces

IC2220

125 Lb Caddies

- Nylex™ latches eliminate sharp edges; won't rust, bend, or dent
- Ice Caddies IC2250 and IC2254 are only 28.75" high for smaller, more compact space requirements
- IC2250T Ice Caddy is 36.5" high to reduce back bending motion
- IC2250T Ice Caddy has 8" non-marking back wheels for easy maneuvering over rough surfaces

COOKWARE

Standard Weight Aluminum Cookware

- Heavy cookware is made from 3003 alloy that allows cookware to heat rapidly and retain even heat
- Double thick top edge and base for superior strength and shape retention
- Covers sold separately; see product chart for recommended cover
- NSF Listed

Stock Pots

- Perfect for preparing soups, pastas, or long-simmering stocks and sauces
- Can also be used with our stainless steel baskets for steaming, boiling, or deep frying

Braziers

- Brazier's wide surface is perfect for browning meats and simmering stews
- Heavy plated loop handles for easy transport
- Optional covers maintain moist heat for slow cooking

Sauté Pans

- Low sided sauté pans are designed for high heat browning or quick cooking
- Come with removable Dura-Kool sleeves
- Heavy-weight aluminum

Straight Sided Aluminum Sauce Pans

- Rounded corners for easy stirring, helps prevent thick sauces from burning
- Heavy-duty, straight-sided pan's thick base provides quick and even heating for thorough cooking

Tapered Aluminum Sauce Pans

- Tapered shape reduces contact with direct heat source and encourages cooking by diffusing heat from the side walls
- Sides are gently sloped and corners are rounded for easy stirring
- Tapered design nests for convenient storage
- Extra wide lip adds durability and offers more precise pouring
- 14 qt saucepan has side handle to aid lifting

Sectional Pasta Cookers

- Ideal for pasta, vegetables, and seafood
- Save time, energy, and space by cooking multiple portions in one pot
- Stainless steel inserts with .13" holes feature cool-touch handles and can be hooked on the side of the pot for easy draining
- Complete unit includes 20 qt pot and 4 quarter size inserts

BAKEWARE

Roast & Bake Pans

- Extra large, heavy-duty sizes capable of holding multiple roasts, hams, or turkeys
- Reinforced rolled edge for added strength
- 60306, 601923 have securely riveted drop handles for easier and safer lifting of heavy loads
- NSF Listed

601922

60306

601923

Commercial Weight Double Roasters

- Commercial weight aluminum roasters are equipped with 2 steel reinforced bands for extra heavy usage
- Pans feature seamless drawn sanitary open bead
- Covers and bases can also be used individually as open roasters
- Full size pans fit standard baker's racks
- Drop handles are securely riveted
- 60345's fabricated lugs hold top securely in place
- NSF Listed

60346

60344

60345

Aluminized Steel Baking Pans

- Aluminized steel pans are the ultimate choice for baking breads, cupcakes, muffins, and cakes
- The special finish provides greater heat transfer for lower baking temperatures, shorter baking time, and better looking, more uniform baked goods
- Corrosion-resistant material withstands temperatures in excess of 700°F
- Individual seamless cups are locked into heavy frames

601837

CUTTING BOARDS & ACCESSORIES

Sparta® Spectrum® Cutting Boards & Accessories

- Sparta Spectrum Color-Coded Products are a key group of CCP (Critical Control Point™) Products designed to promote safe food handling and help prevent hazardous cross-contamination
- Help meet HACCP guidelines by promoting segregated food prep for different foods
- HDPE (High Density Polyethylene) construction offers a durable cutting surface, and a high stability, warp-resistant cutting board
- Rounded corners and edges for easier, safer handling
- Hygienic surface texture on boards prevents deep cuts and is easy to clean
- Contact your local Carlisle Sales Representative for custom sizing
- NSF Listed; dishwasher safe

Sparta Cutting Board Accessories

- Carlisle's Cutting Board Accessories support a complete HACCP System

Board & Brush Racks

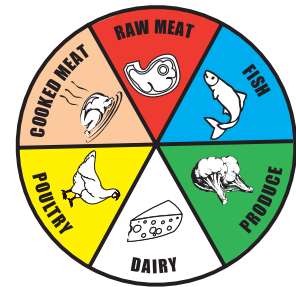

- All products are dishwasher safe and easy to clean

10889WC Laminated Spectrum Wall Chart for quick color usage reference

NSF mark is permanently stamped on board to meet health department requirements

Produce

Sparta color-coded cutting boards promote safe food handling

Dairy

Color-coding to food type helps prevent hazardous cross-contamination

Fish

Use Sparta brushes for a complete HACCP system

PASTRY & BASTING BRUSHES

Sparta® Pastry Brushes

- The finest commercial brushes of their kind – bar none
- Top choice of discriminating professional chefs the world over for decades
- Offer the performance, delicate touch, and long-lasting value by which all others are judged

Sparta Chef Series Brushes

- Professional, high-quality lacquered hardwood handles with brown plastic ferrules are the choice of top chefs
- Bristles are epoxy-set to ferrules to provide superior bristle retention and to prevent bacteria harboring air pockets

Sparta Chef Series Pastry Brushes

- Soft flagged, white nylon bristles have high fluid retaining capacity and provide a soft touch to delicate pastries

Special Food Safety Construction

Other Brands		<p>Epoxy-set ferrules on all Sparta Pastry/Basting Brushes are especially designed for foodservice use; eliminating hazardous bacteria traps commonly found in other brushes.</p> <p>Sparta Pastry/Basting Brushes are available in a wide range of sizes and styles.</p>
Chef Series		

Sparta Chef Series Croissant Brush

- Extra long bleached boar bristles for use on the most delicate of pastries and foods

Sparta Chef Series Basting Brushes

- The professional's choice for use in basting meats and poultry
- Durable sterilized, double-boiled, bleached boar bristles are water resistant
- Withstands temperatures of up to 500°F

Note: Basting brushes should not be cleaned in dishwashers. Brushes should be dipped in a commercial cleaning solution and rinsed.

Hook hangs on side of crock or elevates bristles off counter tops

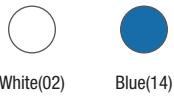

Sparta Meteor® Pastry/Basting Brushes

- "Molded into-the-handle" hook hangs on lip of crocks and containers to prevent bristle burn, melt or distortion caused by resting against hot pan bottoms
- Use hook to elevate bristles off of counter tops to keep bristles clean
- Soft flagged bristles are molded into handle to prevent bacteria harboring air pockets
- Available with white nylon bristles or double-boiled, bleached, sterilized premium boar bristles

For usage information on these and other brushes included in our Key 21 Brushes Set, check out our Kitchen Brush Guide on pages 204 & 205 in this catalog.

PASTRY & BASTING BRUSHES

Sparta® Galaxy™ Pastry/Basting Brushes

- One piece plastic handles are easy to clean
- Bristles are epoxy-set to ferrules to prevent bacteria harboring air pockets
- Available with soft flagged nylon bristles or double-boiled, bleached, sterilized premium boar bristles
- Select brushes also available with blue nylon bristles for added contrast in working with white frostings or other white foods

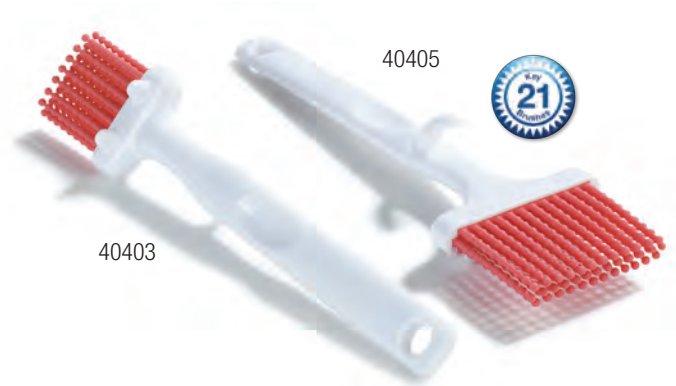

Cash 'N Carry

Selected products also available in a cash 'n carry pack. See page 284.

Silicone Basting Brush

- Unique bristle design carries and spreads liquid better than ordinary Silicone basting brushes
- Red color-coding for high heat cooking applications
- Withstands temperatures up to 500° F
- Convenient molded-in hanging hook grabs pan edges to keep brush from sliding in
- Stain and odor resistant
- Dishwasher safe

Sparta Food Preparation Brushes

Potato Brush

- Patented brush has stiff polyester bristles for aggressive cleaning along with a unique “scraper edge” grip for removing hard to reach blemishes on potatoes and other firm vegetables

Vegetable Brush

- Round loop construction, straight handle with firm bristles

Sparta Utility Brush

- Loop construction and straight handle brush performs a variety of kitchen cleaning functions

Portioning Cups

- Made of durable, break-resistant polycarbonate
- Scoop or transfer ice, liquids, or any bulk item
- Features flat sides for efficient scooping on the bottom of bins, food pans, or other storage containers
- Unique U-shaped handle helps keep hands away from food contact areas while scooping
- Sizes are color coded for quick and easy identification
- NSF Listed; dishwasher safe

One Gallon Container

- Ideal for mixing batters, dressings, and drinks
- Assorted color toggle lids allow easy access for quick open and close action and color identification
- Tight sealing lid protects against spills
- Durable translucent polypropylene material makes it easy to see contents
- U.S. and metric measurements printed on side panels
- NSF Listed; dishwasher safe

MEASURES & SERVING ACCESSORIES

Commercial Measures

- Made of durable polycarbonate
- Offer easy measuring of wet ingredients
- Available in Cup, Pint, Quart, Half Gallon and Gallon sizes with U.S. and metric measurements
- Oval shape facilitates pouring from non-spouted side
- Family of measurers nest for storage
- NSF Listed; dishwasher safe

Overhead view of inside measuring lines allow for a faster, more accurate measurement.

Measuring Cup

- Durable polycarbonate with 1-cup capacity for measuring liquid ingredients
- Withstands temperatures from -40° to 212°F
- Dishwasher safe

Chef Series™ Measuring Cups & Spoons

- Extra-heavy-duty construction for the most demanding professional use
- Rust-free 18-8 stainless

Dishers

- Color-coded for easy identification and portion control
- Smooth operating 18-8 stainless steel construction with ribbed plastic handle
- Bowl capacity is stamped on bail
- Number on bail indicates scoops per quart
- NSF Listed; dishwasher safe

Cash 'N Carry

Selected products also available in a cash 'n carry pack. See page 284.

Stainless Steel One-Piece Ladles

- Durable one-piece easy cleaning construction
- Hooked handle is reinforced for extra strength
- Dishwasher safe

Stainless Steel One-Piece Ladles with High-Heat Handles

- Ergonomic design is perfect for self-service soup warmers
- Safety notch prevents ladle from slipping into pots or warmers
- Heat-resistant handle
- Dishwasher safe

MEASURE MISERS & BOWLS

Stainless Steel Measure Misers®

- Portion control spoons in heavy gauge 18-8 stainless steel with durable one-piece construction
- Feature color-coded Kool-Touch handles and built-in pan edge rest
- NSF Listed; dishwasher safe

Measure Misers®

- Portion control spoon made of break-resistant polycarbonate material
- Each color represents a different size for easy recognition and consistency
- Spoon's flat bottom easily spreads sauces or toppings
- Long handle measure misers have thumb grip for steady control and a notch for resting on pan rim
- Recommended for temperatures up to 212°F; withstands dry heat up to 270°F
- BPA Free
- NSF Listed; dishwasher safe

Coldmaster® Batter Pan

- Coldmaster system eliminates the inconvenience and mess of ice and reduces the potential of bacterial growth
- 10 qt capacity accommodates standard size fry baskets
- Holds batter at or below the ServSafe®** guidelines of 40°F for up to eight hours*

**ServSafe® is a registered trademark of the National Restaurant Association

*Temperature retention is based on Coldmaster being pre-frozen for a minimum of eight hours, then filled directly with pre-chilled foods. Testing was conducted under ambient room temperatures of 76°F.

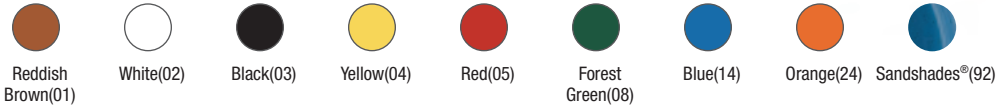

Classic Stainless Steel Mixing Bowls

- Flared rim forms an integral pour lip while adding extra strength
- Rust-free 24 gauge, 18-4 stainless steel
- Dishwasher safe

Melamine Mixing Bowls

- Heavy-duty melamine is safe for temperatures up to 212°F
- Bowls are break and stain-resistant
- Not recommended for microwave use
- Dishwasher safe

COLANDERS, TONGS & DREDGES

Colanders

- Seamless satin finish aluminum construction with rolled top edge for extra strength
- Sturdy handles are securely riveted on sides
- Available in extra heavy or standard gauge aluminum

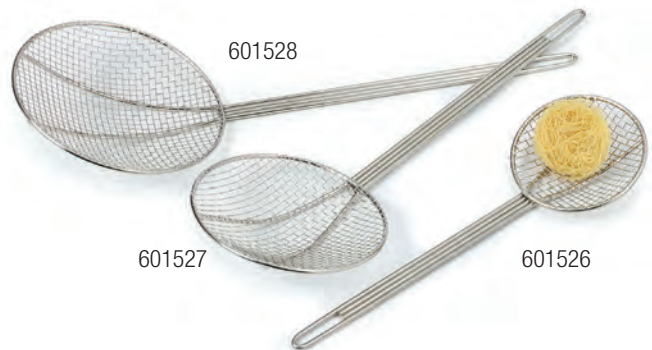

Spaghetti Strainers

- Heavy gauge aluminum strainer
- Riveted plated steel handle and front hook for resting on stock pot

Wire Mesh Skimmers

- Heavy-duty construction
- Skimmers lift food from fryer
- Sturdy handles with hanging loops
- Nickel plated construction resists corrosion

Tongs

Heavy-Duty Utility Tongs

- Heavy 20 gauge stainless steel with flat spring for long-lasting service
- Dishwasher safe

Spectrum® Dura-Kool™ Tongs

- Color-coded Dura-Kool handles provide easy visual for zone isolation
- Single-piece heavy-duty stainless construction eliminates food traps for more sanitary use
- Spring action hinge won't break, also provides convenient hook for storage

Carlisle's Spectrum System supports your HACCP program by promoting zone isolation and reducing the risk of cross-contamination with our complete offering of color-coded kitchen tools and cleaning accessories

Dredges/Powder Cans

- Heavy-duty seamless dredges in aluminum
- 18-8 mirror polish stainless with wide screw tops for easy filling
- Dishwasher safe

Shaker/Dredge

- Durable break-resistant polycarbonate shaker can be customized with your logo
- See pages 292-294 for custom imprinting information
- Additional lids can be purchased separately to accommodate different toppings

SPATULAS, SCRAPERS & SPOONS

Spatulas & Scrapers

- Completely eliminate unsanitary food traps with the over-molded blade and handle design
- Fine-edge tapered profile of the spatula is perfect for spreading
- Sharp edge and deep bowl of the Scraper reduces waste by helping you scoop out every last drop
- Red handled high-heat versions are rated to 600°F and feature cool-touch handles

Cash 'N Carry

Selected products also available in a cash 'n carry pack. See page 284.

High Heat Serving Spoons & Turner

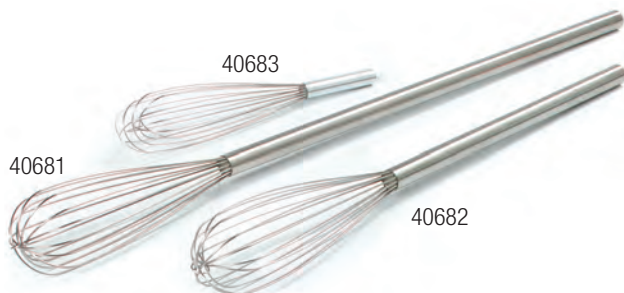

- High heat material withstands temperatures from -40° to 375° F without melting or transferring heat
- Helps prevent scratching on coated surfaces
- Notched handle with hole for hanging
- NSF Listed; dishwasher safe

High Heat Serving Spoons

- Notched handle allows spoon to rest on edge of food pan

Stainless Steel Serving Spoons

- Heavy-duty 18 gauge serving spoons are made of 18-8 stainless steel for long-lasting service
- Reinforced handle for extra strength with convenient hole for hanging
- Dishwasher safe

Sparta® Chef Series™ French Whips

- Sanitary fully-sealed construction eliminates bacteria harboring food traps
- Rust-free 18-8 stainless construction with heavy gauge spring wire loops
- Perfectly weighted and balanced for heavy mixing, stirring, and beating batters, sauces, and other thicker mixtures

Sparta Spatulas & Paddle Scrapers

- Perfect for general mixing and stirring
- Long handle versions are ideal for vats and large pots
- Stainless steel or nylon/polyethylene scraper available
- Smooth finish, water-proof construction for easy clean-up
- Replacement blades are available for this product

KITCHEN TOOLS

607400

Meat Tenderizer

- Heavy duty solid cast aluminum with prong side for tenderizing and smooth side for thinning meats

607410

Steak Weight

- Heavy iron weight transfers heat to speed cooking and brown evenly

60300

Timer

- Long ringing timer
- Made of sturdy plastic

Cash 'N Carry

Selected products also available in a cash 'n carry pack. See page 284.

6020

Stainless Steel Peeler

- Peeler has swivel action stainless steel blade
- Tip can be used for coring and scraping

41077-1

41076-1

Sparta® Foodservice Shovels

- Heavy duty one-piece plastic construction
- Supports heavy loads, safe to use with food, will not rust, and cleans up easily

White(02)

40690

40691

Wrap-Around Vinyl Aprons

- 40690 has sturdy, reinforced ties
- 40691 for heavy duty protection from oils and grease

FOOD PANS & LIDS

Food pans are the back bone of any foodservice operation. For storing, preparing, and serving, they are a necessity. Only Carlisle offers you complete versatility with a broad range of food pans to meet your needs.

- Innovative solutions like our patented Top Notch® Food Pans in polycarbonate or high heat
- Durable solutions like our rugged DuraPan™ Food Pans in satin finish stainless steel

DuraPan Covers

- Made of heavy gauge 18-8 stainless steel
- Available in solid or slotted styles
- Recessed handles offer a secure grip
- Notched lids allow easy access for serving spoons
- Hinged covers (607000H & 607802H) help maintain temperatures while allowing access to food

DuraPans Covers, Recessed Handles
Large, recessed handles offer a secure grip. Notched lids allow easy access with serving spoons

Full Shoulders

Prevent jamming during storage and provide added strength for longer life

Double Reinforced Corners

With unique impact resistant edge design holds shape even under the toughest conditions

Spoonable Bottoms

Add structural rigidity; allows easy access to food and makes clean up easier

Steam Table Application

DuraPans impact resistant edge maintains shape better and lays flat, providing a tight seal for better temperature retention in steam tables

Coldmaster® Application

Use DuraPans with Coldmaster Coldpans (shown on page 93) to keep foods cold without ice or electricity

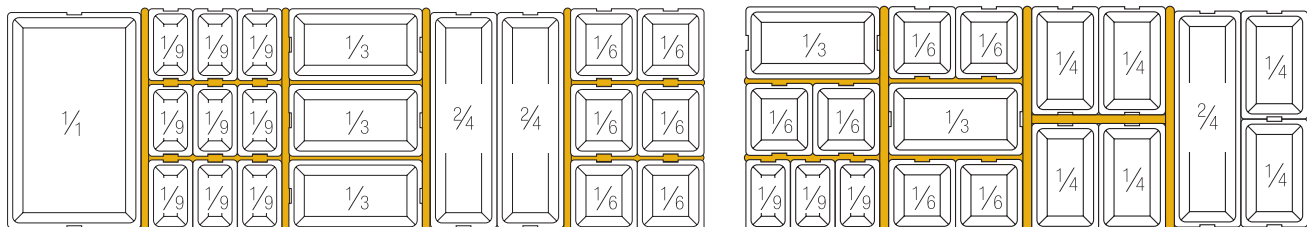

Available in heavy gauge or light gauge, Carlisle offers a wide range of accessories including solid and slotted covers, drain shelves, divided pans, and adapter bars listed throughout this section.

FOOD PANS & ACCESSORIES

Divided Pan with PC140N
Cateraide™ Top Loader

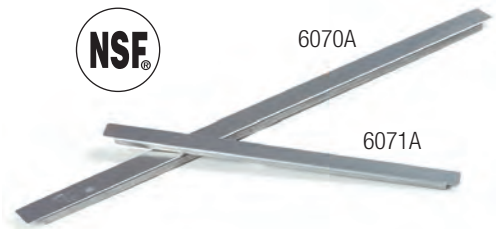

Drain Grates

- Chrome plated, heavy-duty grates with durable welded construction holds food above pan
- Use for cooling or draining foods
- Fits full size pans

Adapter Bars

- Use adapter bars with DuraPans in steam table applications, Cateraides, or other standard transport containers
- Two sizes available to work with full or fractional size pans

607712

Stainless Steel Bains Maries

- Heavy gauge 18-8 stainless steel ideal for serving, storing, and preparing foods, sauces, and dressings
- Easy to clean, satin finish and smooth rounded edges
- Optional covers have recessed handles to allow stacking of covered containers

Adapter Plates

- 18-8 stainless steel adapters fit standard steam table openings to hold insets and bains maries in prep and serving areas

Insets

- Use in round steam tables or soup warmers and stations
- Offer heavy gauge, 18-8 stainless steel satin finish and smooth rounded edges
- Optional covers help maintain temperatures, sold separately
- Hinged covers clip to inset, allowing one-hand access
- Bakelite knob on hinged cover stays cool to the touch

FOOD PANS & LIDS

**Top Notch® Food Pans**

- Easy-lift spoon notches are located at each end of the food pan for easy removal from steam tables and recessed counters
- Just place the end of a spoon or other utensil under the reinforced notch, lift, and remove food pan
- Polycarbonate pans withstand tough use; resist food acids and oils; and can withstand temperatures of -40°F to 212°F
- High-heat pans excel in high temperature applications (-40°F to 375°F)
- Easy-lift notch reduces direct hand-to-food contact for greater food safety
- Top Notch Food Pans meet specifications for use in food bars and steam tables
- Pans meet EN 631-1 Euro Norm standards** for inter-stacking with existing pans
- NSF Listed; dishwasher safe

* U.S. Patent No. 5676276

** Excluding .17 and .11 sizes

**Universal Food Pan Lids**

- Universal Lids fit Carlisle Top Notch Food Pans as well as other major brands on the market
- Available in standard sizes
- Fits both gastronorm and standard size food pans
- Carlisle lids stack with themselves for easy storage
- Available in polycarbonate or high heat material
- NSF Listed; dishwasher safe

**Catering Application**

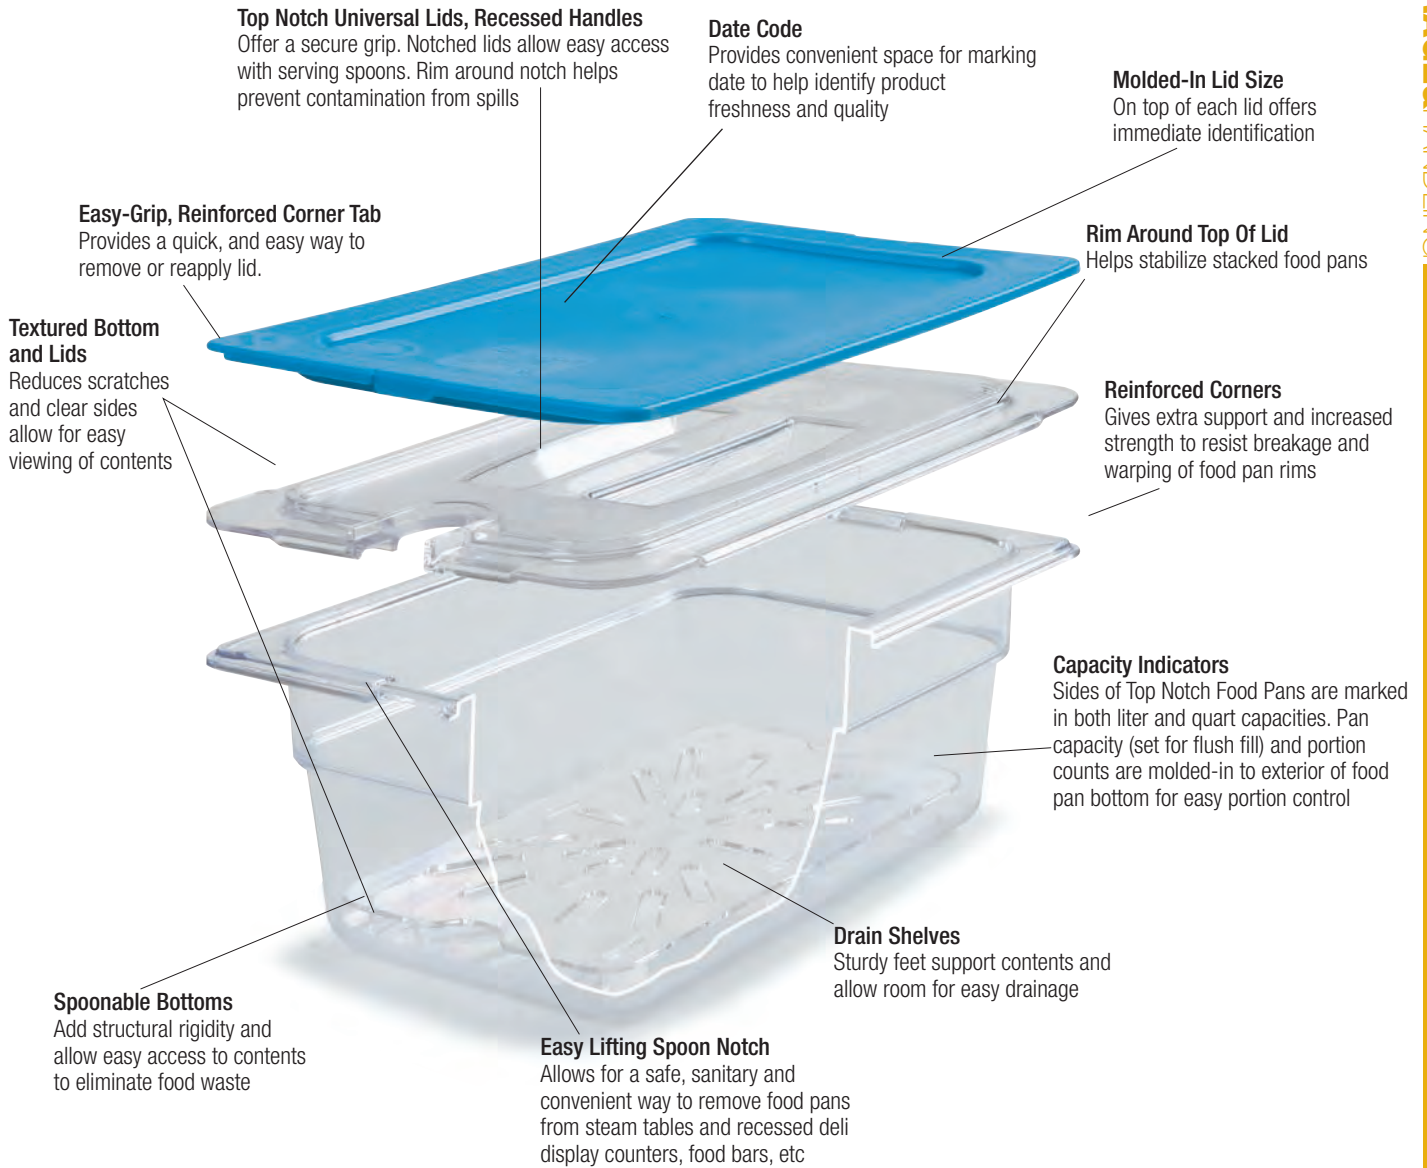

Top Notch Food Pans fit Carlisle Cateraides™ (see pages 134-136) and other standard transport containers for offsite catering, company lunches, etc.

**Back-of-the-House Application**

Top Notch Food Pans are great for back-of-the-house; at easy-to-reach prep stations or for refrigerated food storage. Drain shelves help keep food fresh.

**High Heat Applications**

Top Notch High Heat Food Pans provide the single container solution for cold storage, flash-freezing, microwave preheat/cooking, and prolonged high temperature retention in steam table applications.

Use Top Notch Food Pans with Maximizer™, Six★Star™, and Five★Star™ Food Bars shown on pages 100 & 101 and with CATERAIDES shown on pages 134-136

Smart Lids™

- Unique inside seal design provides superior leak-resistance and keeps your foods fresher, longer
- Perfect for transporting foods to offsite locations
- Smart Lids (combined with Top Notch Food Pans) fit inside CATERAIDE Top Loaders and End Loaders (shown on pages 134-136)
- Polyethylene material is dishwasher safe; for use in -40°F to 180°F

Color: Blue(14)

Smart Lid's unique inside seal design provides superior leak-resistance; protects against spills

FOOD PANS & LIDS

Polycarbonate Food Pans & Lids

- Polycarbonate pans and lids withstand tough use
- Resist food acids and oils; and can withstand temperatures of -40°F to 212°F
- For a leak-resistant seal use Smart Lids™ listed on page 179

FOOD STORAGE CONTAINERS

StorPlus™ Food Storage Boxes & Lids

- Carlisle's exclusive color-coded boxes are one of the products designed to help control the potential for cross-contamination during the storage and transfer of ready-to-eat and raw foods

StorPlus Food Storage Boxes

- Reinforced top and bottom corners on both box and lid, help prevent chipping and cracking
- Quart, gallon, and liter capacity indicators (on 12" x 18" box) offer portion control for both domestic and international use
- All sizes stack for easy, efficient storage and fit standard carts and racks
- StorPlus boxes stack with other boxes on the market
- Smooth interior surface makes cleaning easy
- Boxes can be used for organizing and sorting kitchen supplies
- Boxes double as dough proofing bus boxes, warewashing tubs for kitchen overflow, or remote locations
- "Lock-Tight" lids can be reversed and used as bun pan or tray
- 18" x 26" colander is ideal for storing, draining, thawing, and marinating foods; keeps lettuce crisp, thaws and drains fish on ice, marinates chicken, etc.
- 10628 fits 18" x 26" x 6" or deeper boxes
- Polycarbonate boxes provide easy visibility, superior resistance to food acids and oils and withstands temperatures from -40°F to 212°F
- Polyethylene boxes offers economical storage and transport and withstands temperatures from -40°F to 180°F
- NSF Listed; dishwasher safe

Benefits of StorPlus Color-Coded Storage Boxes:

- Prevents cross-contamination
- RimGlow™ technology gives the boxes and lids a distinct, yet transparent color to segregate them by usage
- Can be used with Carlisle Spectrum® identification system for easy integration into existing programs
- Color-coded boxes help meet standards as part of a complete HACCP Program
- Follow ServSafe® recommended stacking order of:
 - Clear (cooked foods & dairy products) on top shelves
 - Green boxes (fresh fruits & vegetables)
 - Blue (raw fish and seafood)
 - Red boxes (storing raw meats)
 - Yellow boxes (raw poultry) at the bottom of stack

ServSafe® is a registered trademark of the National Restaurant Association

Storplus Food Storage Boxes & Lids

Reinforced Lid Corners
Help prevent chipping and cracking

Textured Lid
Non-slip textured finish for longer wear

Easy-Grip Reinforced Handles
Reinforcement ribs add strength and rigidity for a more secure grip

Textured Finish
Non-slip textured finish on corners, sides, and bottom of box reduce scratches - keep boxes looking newer, longer

Date Indicators
Convenient date indicators on all four sides and on lids for easy recognition

Use clear boxes for dairy foods, ready-to-eat, and cooked foods

Material Choices
Available in durable polycarbonate or practical, economical polyethylene

"Lock Tight" Stackable/Reversible Lids
Secure "bead and socket" latches firmly attach lids to boxes; prevent spills, moisture loss, and contamination

Capacity Indicators (12" x 18" size only)
Allows "prepping" and "portioning" in the same container as transport and storage

Reinforced Box Corners
Help prevent chipping and cracking

Use green boxes for fresh fruits and vegetables

Use blue boxes for raw fish and seafood

Use red boxes for storing raw meats

Use yellow boxes for raw poultry

FOOD STORAGE CONTAINERS

StorPlus™ Square Food Storage Containers

- Unique reinforced stacking lugs on all four corners help prevent container “lock-up” or jamming when stacked
- Perfect for storing condiments, spices, toppings, leftover or preparation
- Color-coded capacity indicators are listed in both quarts and liters
- Date indicators on container sides and lid help maintain food quality
- Wide, easy-grip handles with drain holes for quicker drying
- Clear polycarbonate containers provide exceptional durability and can withstand temperatures from -40°F to 212°F
- Economical white polyethylene containers withstand temperatures from -40°F to 180°F
- Stackable with other popular brands
- Color-coded, textured snap-on lids fit both the polycarbonate and polyethylene containers
- Textured exterior provides a secure grip
- Smooth interior finish makes clean-up easy
- NSF Listed; dishwasher safe

Textured Lids

Non-slip texturing provides secure stacking and scratch resistance. Snap-on lid fits both polycarbonate and polyethylene containers and are color-coded to match capacity indicators for quick identification.

Wide, Easy Grip Handles

Wide, comfortable design with textured finish provides a secure grip. Drain holes in handles allow for quicker drying.

Date Indicators

On all four sides help maintain food quality and make inventory control easy.

Spoonable Bottoms

Makes removal of contents easier, helps prevent food waste, and promotes easy clean-up.

Contents and Date Indicators

Provides convenient space for marking contents and date to help promote product freshness and quality.

Stacking Lugs

Corner stacking lugs add strength, rigidity, and prevent jamming when stacked. Containers stack with other popular brands.

Capacity Indicators

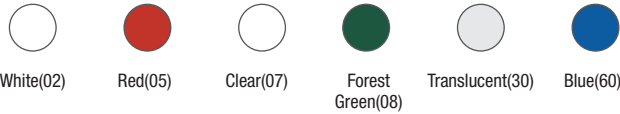

Listed in both gallons and liters, are color-coded to match lids for quick identification. Indicators allow prepping, portioning, measuring of contents and ingredients, and inventory control.

Textured Finish

Non-slip textured finish on corners, edges, and bottom of container reduces scratches to keep containers looking like new longer.

Economical Space Savers

- Square shape allows for practical storage in the freezer, cooler, or shelf
- Molded-in volume graduations indicate capacity
- Translucent polypropylene offers contact clarity for easy identification of products
- Withstand temperatures from 32° to 170°F
- Economical white polyethylene withstands temperatures from -40° to 180° F
- NSF Listed; dishwasher safe

FOOD STORAGE CONTAINERS

**StorPlus™ Round Containers**

- Super-tough clear polycarbonate for ultimate durability allows easy food content identification at a glance
- Exclusive Carlisle spoonable bottom for increased yield and less food waste
- Tight double-sealing lids protect against spills and extend freshness
- Molded-in capacity indicators in quarts and liters for simple portion and inventory control
- StorPlus containers stack with other major brands for convenient storage; stacking shoulder prevents jamming
- Date indicator lids help maintain food quality and control inventory turns, interchangeable with other brands
- Clear polycarbonate containers can withstand temperatures from -40°F to 212°F
- NSF Listed; dishwasher safe

**Bains Maries**

- Carlisle Bains Marie are the original round food storage containers
- Outside stacking lugs prevent jamming
- Snap-on, air-tight lids are tabbed for easy on and off
- Smooth interior cleans easily, leaving no food traps
- Molded-in handles for easy lifting
- 12, 18, & 22 qt sizes have recessed handles for extra strength and stability in lifting, as well as graduated U.S. measurements shown on the side of the container
- 2, 3.5, 6, & 8 qt sizes can be imprinted
- Clear polypropylene containers are translucent and seamless, offering contact clarity for easy identification of products
- Polypropylene containers withstand temperatures from 32° to 170°F
- Economical white polyethylene containers will withstand temperatures from -40° to 180° F
- NSF Listed; dishwasher safe

INGREDIENT BINS & FLOOR SYSTEMS

Ingredient Bins

- Portable, convenient storage bins for large quantities of sugar, flour, etc.
- Lids slide open for easy access
- Heavy-duty, non-marking casters
- Replacement Parts for BIN27, BIN36, & BIN44 shown in chart below

Floor Rack System

- Interlocking modular system provides a raised surface in dry and cooling storage areas
- Perfect for areas where moisture collects on the floor
- Open design allows for air circulation
- 12" square units lock together, holds up to 3,000 pounds per square foot
- Made of FDA approved high density polyethylene, withstands temperatures from -40° to 180° F
- NSF Listed; dishwasher safe or clean with hose

OPTICLEAN® GLASS RACKS

Build Your Perfect System – The Easy Way

- OptiClean's basic three-component system of base racks and open and divided extenders allow you to construct the exact configuration you need
- Sure-Lock Extender design makes alterations quick and easy
- The user-friendly product numbering system refers to the exact type of rack you're ordering, without any complicated formulas
- Each number consists of an "R" followed by a descriptor – "G" for Glass, "W" for NeWave, "P" for Peg, etc
- Glass and cup racks are further defined by their number of compartments, ie: RG16 for a 16-compartment glass rack base
- To add extenders to your order, just add a dash and the number of extenders you need to the end of the basic product number, such as "RG16-3" for a 16-compartment glass rack with three extenders (note: each extender adds approximately 1.5" of additional height to the inside compartment of the rack)
- Use the unique Plaque-A-Rack System shown on pages 196 & 197 for the ultimate in easy-to-use rack identification

Carlisle's Glass Rack Compatibility Chart

- Carlisle's Glass Rack Compatibility Chart is available at www.carlislefsp.com/findrack
- Once there you can find recommendations for glass racks designed to be used with Anchor Hocking, Cardinal, Libby, and Oneida Glassware as well as Carlisle Tumblers
- Glass Rack recommendations are based on both the measurements provided by each glassware manufacturer and the minimum clearance required for optimum cleaning performance
- Because actual glasses vary in size, you may prefer to use our glass rack sizing guide shown on page 195

All OptiClean Racks have an outside measurement of 19.75" x 19.75"

OptiClean NeWave Glass Racks

- Same features as our OptiClean Glass Racks with an added practical interior design that holds 20% more glasses than comparable square racks
- NeWave Glass Racks are a green choice as they help to lower your chemical usage and labor costs
- Rounded design holds glasses securely in place, resulting in less movement and breakage
- NeWave offers two compartment sizes designed to fit the most popular sizes of glassware and tumblers
- NSF Listed

Glass Rack Sizing Guide

Instructions:

1. Place glass upside down on top of the middle circle of the sizing guide; center of the glass (or the stem on stemware) should be over the center of the guide.
2. Look down on the base of the glass.
3. Note the smallest square on the guide where the largest outside diameter of your glass lines up completely within the square without touching it – this is the number of compartments your rack needs to have.
4. Place lip of glass against the base line of the vertical guide on the right-hand side of the page with the base/foot of the glass pointing straight up towards the top of the page.
5. While holding the glass against the vertical guide, note where the base/foot of the glass lines up on the vertical guide – the next line above the base/foot on the guide indicates the number of extenders your rack will require.
6. Carlisle's unique OptiClean Warewashing rack system allows you to build the perfect rack for any application. Glasses with a maximum height exceeding 10.5" will need more than five extenders. Custom racks requiring more than five extenders are available for order by contacting a Carlisle FoodService Products customer service representative. Each extender adds approximately 1.5" of additional height to the inside compartment of the rack.

For glasses with a maximum diameter exceeding 6", Carlisle FoodService Products recommends using the RTP peg rack. The RTP peg rack can be custom ordered to accommodate any glass height.

Please contact a Carlisle FoodService Products customer service representative to place your order, or for more information about building the ideal rack for your needs.

PLAQUE-A-RACK

Carlisle's Plaque-A-Rack System is the proven standard in custom rack labeling. And, with our color-coded racks (shown on pages 192-194) Carlisle offers the widest combination of identification options in the industry. You can identify your racks by contents, silhouette, name, location (usage/storage), and color code for a totally customized system. Order custom designed plaques to meet your own unique needs. The highly visible plaques fit up to three across on both bases and extenders for complete versatility. Plaques can be easily added, removed, or changed as needed. Plaque-A-Rack is also the only rack identification system that will allow you to easily put identifiers in multiple languages on the same rack. Sturdy reusable plaques are made from a high-impact plastic and won't come off during the normal wear and tear of daily usage – offering a permanent identification system for the life of your racks.

Plaque example shown above: XRG25-2 with 203, 303, 103

- Plaque-A-Rack provides four ways to customize your Glass Rack System:
 - glassware silhouette
 - glassware style by name
 - location of glassware usage or storage
 - custom color coding options
- Plaques are hot stamped with either a glassware silhouette, glassware name, usage, or storage area location
- Plaques are Carlisle Blue(14), unless otherwise specified
- All plaques are 3" long by 1" high
- Racks can be ordered with up to three possible plaque imprints
- There is a \$3.36 U.S. list price charge per rack for each Plaque-A-Rack order (includes 2 plaques on 2 sides); special orders for plaques on all four sides have a \$6.72 U.S. list price (includes 2 plaques on 4 sides)
- Plaques may also be ordered separately at \$0.84 U.S. list price each
- Plaques are placed horizontally on two opposite sides of the rack along the top most edge
- Plaques snap on for a tight fit; won't fall off during normal use
- Plaques can be removed if necessary and are re-usable
- Allow ten working days for shipment of your standard order
- Plaques sold in full case quantities only
- Custom plaque imprints available; minimum order 24 pieces
- Please allow 4-6 weeks from approval of sample for custom plaques
- Custom imprinted plaques are \$0.84 U.S. list price each with an additional \$50 U.S. net price setup fee and a \$16 U.S. net price film charge
- An additional \$115 U.S. net price dye charge will apply to any plaque order that does not include racks
- For custom color coding, please specify which color is to be used for each rack
- All plaque sales are final

How To Order Racks With Imprinted Plaques

Follow instructions below and refer to the charts on the facing page for catalog numbers.

Step 1: Choose the glass rack that best fits your glassware.

Step 2: Plaque-A-Rack glass racks are identified by an "X" preceding the standard glass rack catalog number (example: "X"RG25-1 25-Compartment Plaque-A-Rack glass rack with one extender).

Step 3: Choose the different imprints you want from the types of plaque imprints available.

- **Silhouette**
- **Name of glassware**
- **Location**

Plaques Are Available In Blue(14)

Plus— six custom colors

Standard Color:

Blue (14) with White type

Custom Colors:

Dark Blue (60) with White type

Green (09) with White type

Orange (24) with Black type

Purple (68) with White type

Red (05) with White type

Yellow (04) with Black type

Step 4: Place the three digit plaque catalog imprint product number next to the standard glass rack catalog number.

DISH & SPECIALITY RACKS

OptiClean Dish Racks

- OptiClean Dish Racks offer the safest and most sanitary cleaning choices for everything from the most fragile tableware to heavy-duty kitchen items such as utensils and cutlery
- They offer the same great features such as sturdy double wall construction and Comfort Curve™ Handles molded into all four sides
- NSF Listed

OptiClean Peg Racks

- Holds plates, trays, and platters at the best angle to take full advantage of today's multiple spray, high pressure dishwashers
- Plate locks hold dishes firmly in place to protect delicate rims, reduce chipping and breakage
- Use with additional Open Extenders (RE) to create the perfect rack for irregular or oversize drinkware
- NSF Listed

OptiClean Tall Peg Plate & Tray Rack

- Extra tall 2.94" pegs are ideal for charger plates, pasta bowls, large platters, and trays

OptiClean Open End Peg Rack

- Tall 2.94" pegs with open ended design hold all types of trays, standard size baking sheets and other long items

RB

RF

RC20-1

OptiClean Open/Bowl Rack

- Sturdy open bottom rack is ideal for all large bowls, containers, brushes, cookware, and cutlery

Combination/Flatware Rack

- Bottom grid allows for free flow of water and air
- Keeps flatware in place for thorough washing and drying
- Perfect for ramekins, and other small items
- NSF Listed

Cup Racks

- Tilted design promotes thorough washing of rims and interiors
- Encourages bases to drain more efficiently
- 16-Compartment holds larger diameter cups and mugs in tilted position; compartment size: 4.34" x 4.34"
- 20-Compartment works with most standard size cups; compartment size: 4.34" x 3.41"
- NSF Listed

OptiClean Bakery Tray & Sheet Pan Rack

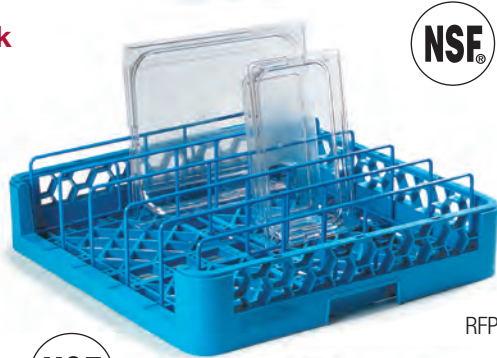

- Rack securely holds sheet or bun pans low enough to fit standard height dish machine openings
- Contents are angled to take full advantage of multiple spray arms
- NSF Listed

RSP

OptiClean Food Pan/Insulated Meal Delivery Tray Rack

- Accommodates all sizes of 2.5" deep food pans and standard steam table inserts
- Racks are angled for thorough cleaning
- Perfect for health care or correctional facilities using insulated meal delivery compartment trays
- NSF Listed

RFP

OptiClean Plate Cover Rack

- Use with plate covers, dishwasher safe insulated dome covers, or dishwasher safe pellet bases
- Specially designed insert keeps contents separated during washing
- NSF Listed

Visit www.carlislefsp.com for more information and a complete product listing.

The key to running a successful foodservice operation is all in the details. You know the one detail your customers pay the most attention to is cleanliness. Over 75% of consumers have said that they have had a bad experience in a restaurant they thought wasn't clean. Of those, 80% never complained – but they also never went back. Your customers take the cleanliness of your operation seriously, just as you take their health and safety seriously too.

In this day of rapid turnover, constant training issues, and ever increasing concern over foodborne illness you need cleaning policies that are simple to understand, procedures that are easy to teach, and HACCP routines that are easy to implement and monitor.

Carlisle has been a leader in foodservice and food processing sanitation for decades. Our Sparta brand brushes are the literally the industry standard for cleaning foodservice and food processing operations the world over. With the most specialized tools designed for specific applications, Carlisle has exactly what you need for any cleaning task.

The three most critical cleaning issues that any good defense against preventable foodborne illness concentrates on are:

- Frequent and thorough hand washing by all employees
- Keeping food prep and food contact surfaces clean and sanitized
- Taking simple steps to identify and eliminate cross-contamination hazards

21 Key Brushes

Our 21 Key Brush Program represents the basic selection that every foodservice operation needs. It covers front-of-house floor care and general cleaning, back-of-house equipment and food prep station maintenance, and even personal hygiene and restroom care. One of these basics is our Hand & Nail Brush. It is specifically designed to clean where even people with good habits might miss. One should be at every hand wash station you have.

Kitchen Brush Guide (pages 290 & 291)

This quick and easy visual reference helps you pick out all of the specialty brushes you need to keep the equipment you own clean and up to code - and your prep areas sparkling. Don't see exactly what you want? No problem. Carlisle's knowledgeable staff can help you and your dealer select the right tool for the job from our thousands of options. We can even help you with brushes designed to your unique specifications.

Sparta Spectrum Series

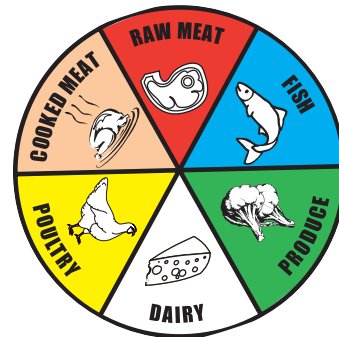

The original Sparta Spectrum color-code system takes the guess work out of cross-contamination prevention and helps you identify potential problems at a glance – before they have a chance to become an issue. This full-line of Brushes and Cleaning Tools coordinate with other products like our unique color-coded StorPlus Food Boxes, Spectrum Cutting Boards, and other industry standard coded tools to help you set-up easy to understand and train zone/task isolation practices.

- Blue – raw seafood
- Green – raw produce
- Red – raw meats
- Yellow – raw poultry
- Tan – cooked foods
- White – dairy

SMALLWARES BRUSHES

Atlas Multi-Purpose Brushes

- Round or oval head Atlas brushes for cleaning steam kettles, vats, beverage servers, pots, pans, crocks, and tanks
- Rounded heads and ends protect against scratching and clean in all directions
- Medium stiff polyester bristles provide aggressive cleaning
- Base resins used to produce blocks and bristles are made of FDA compliant materials

Cutting Board Brush

- Ergonomically shaped handles and crimped staple set polyester bristles are rugged and will not absorb food oils or moisture

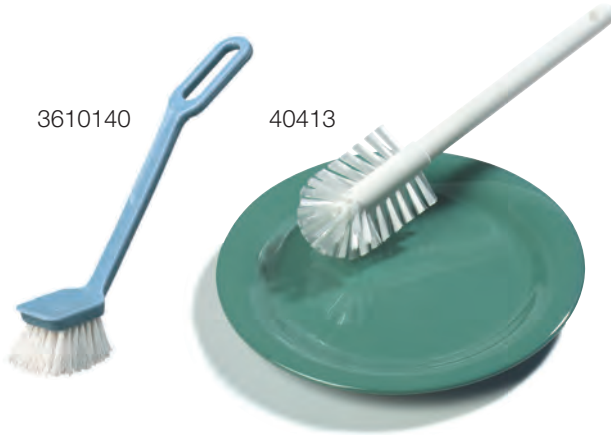

40024

Bake Pan Lip Brush

- Easy cleaning of rolled lips and edges on baking pans
- Stiff polyester bristles patterned in a flat V-shape for maximum pan contact
- Plastic block with contoured handle provides a convenient grip and protects hands from metal edges on pans and other equipment

Scrubs & Sponges

- 36752 and 36753 are a long-lasting 400 series stainless that won't rust or splinter
- 36396 is not recommended for coated cookware, soft plastics, fine china or polished stainless steel as scratching can occur

Dish Brushes

- 40413 has a 180° stapleset brush head and full end bristles to prevent splash back when in use cleaning dishes, utensils and fry pans
- 367600TC has a flattened side to cover the surface area better and help remove food residue

41506

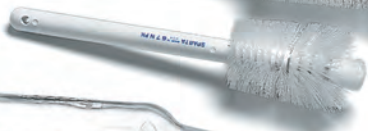

40468

40467

40466

40415

Sparta Bottle & Jar Brushes

- Wirewound brushes have a small diameter handle and soft bristles for easy and delicate cleaning of jars, bottles, and glasses with smaller openings
- 40415 Bottle Brush is perfect for cleaning wine bottles, ketchup bottles, squeeze bottles, etc.

Iron Handle Brush

- Economical Iron Handle Style Scrub Brush has Polypropylene bristles staple set into plastic block
- Pointed edge to allow cleaning in corners

36289

Hand & Nail Brushes

- Long bristles along sides clean fingers top and bottom while short bristles in center clean under fingernails
- Works better than soap and water alone for cleaning under fingernails where bacteria, dirt, and other contaminants can become trapped
- New improved stiffer center bristles offer a more thorough cleaning
- 40021 kit includes a 5" x 2" brush, cord to secure the brush in place, hanging hook, and an adhesive backed hand washing instruction decal in English and Spanish

EQUIPMENT BRUSHES

High Temperature Equipment Brushes

- All of our high temperature brushes have stiff, Teflon® bristles that withstand temperatures up to 500°F
- High temperature brushes save time since equipment can be cleaned while it is still warm
- Plastic handles provide a “cool touch”

Low Temperature Equipment Brushes

- 40040 and 40042 Tank and Kettle Brushes have bristles on all sides to provide complete cleaning and can be used with a handle to reach the bottom of kettles and tanks
- 40150 Kettle Drain Valve Brush is a perfect solution for cleaning bacteria prone areas of kettles
- 40028 Dishwasher Spray Arm Brushes have long handles to reach spray arms for thorough cleaning
- 40152 Cool Temperature Fryer Brush has the same shape as our High Temp Fryer Brush(40111) but is used in cool cleaning

Sparta Coffee Service Brushes

- Brushes are designed to clean all glass and Pyrex® pots and dispensers
- 40025 Coffee Decanter Brush is shaped like the inside of the most popular coffee decanters for quick and easy use
- Use 40673 Urn Brush for quick and easy clean-up of glass gauges on coffee urns
- 40154 Creamer and Percolator Brush is designed for cleaning spouts and tubing on percolators, hot beverage servers, and creamers
- 40153 Curved Coffee Maker Brush is a semi-circular wire wound brush that contours to the inside of coffee pots

Spouts, Pumps & Valves

- Twisted in wire nylon bristles
- 40180 Tee, Fitting, and Valve Brush is perfect for straight pipes, tees, and valves
- 40155 Condiment Dispenser Spout Brush has flexible wire for efficient cleaning of bacteria prone spouts
- 40156 Condiment Dispenser Plunger Brush has rose-bud tip for efficient dispenser cleaning
- 40157 Beer Tap Line Brush for maintaining quality control of beer on tap

Microfiber

- Carlisle's complete line of Microfiber products can save you significant time, money, and labor compared to traditional cleaning tools
- Unique ultra-fine filament combined with our exclusive polyester/polyamide nylon blend cleans better and last longer than other microfibers
- Cloths remove up to 400% more dirt, dust, and grime with a single pass compared to traditional cleaning products
- Carlisle microfibers can significantly reduce your chemical usage in a broad number of common cleaning tasks because they clean better themselves
- Provides effective cleaning after more than 500 uses (use & launder)
- Long product life could save you as much as 60% per year over the cost of traditional alternatives

Microfiber Cleaning/Polish Cloths

- Recommended use: Polishing cloth for mirrors, glass and metal; cleaning cloth for dusting counters, walls and equipment
- Use the ultra-fine suede finish polishing keeps surfaces gleaming without sprays and chemicals
- Super-tough terry cleaning cloths work better and last longer than cotton rags
- Microfiber loops hold dirt and grease - won't redeposit
- Rinse clean and dry fast

Large Sponge

- Natural color, synthetic material

365501

HAND SQUEEGEES & SCRAPERS

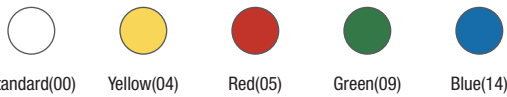

Hand Held Window Squeegees

- Recommended use: Cleaning windows
- Double blade squeegees use red rubber with a screw-in metal frame
- Single blade squeegees use black rubber in a quick release channel style frame

Window Scrapers

- Professional 4" wide scraper with plastic handle
- 4" scraper blade has one sharp edge and one dull edge

DUST & LOBBY PANS

Multi-Surface Floor Sweeper

- Recommended use: In any foodservice establishment
- Brushless mechanical sweeper has non-marking rubber blades that grab fine particles and heavy debris from various types of floor surfaces
- Soft non-marking wheels which glide on carpet, hardwood, vinyl and tile floors
- Sweeper's corner brushes allow the sweeper to pick-up close to baseboards
- Large capacity dust bins thoroughly clean blades as they rotate; won't re-deposit dirt like ordinary sweepers
- Easy one touch doors for emptying debris
- Provides a 7.13" and 10" sweeping path
- Made of durable ABS plastic
- Ergonomic swivel handle is made of galvanized steel

Cash 'N Carry

Selected products also available in a cash 'n carry pack. See page 286.

Lobby Pan & Broom Combos

- Recommended use: In any foodservice establishment
- Lobby pans and brooms with sectional handles to give you over 50% reduction in carton size; lower cube saves warehouse space and shipping costs
- The lobby pans pivot and lock into place during use and release for easy carrying or emptying
- Handles feature a pivoting hanging hole at top for storage
- 361415 Combo includes the following:
 - Handy clip to attach broom for convenient storage
 - Serrated edge along the bail allowing you to comb the broom's bristles and drop debris into the pan
 - 30" two-piece handle made from vinyl coated steel
- 361416 Combo includes the following:
 - Slanted edge on pan lays flat on the floor to facilitate easy sweeping
 - Adjustable position head for more functional use in corners and under counters or tables

Dust & Lobby Pans

- Recommended use: In any foodservice establishment
- Dust Pans are available in metal or plastic as well as in a "flip-up" lobby style or hand held
- Dustpan (361437) features a 90° threaded handle hole to convert it to an economy lobby dustpan

CORN & UPRIGHT BROOMS

Natural Corn & Blend Brooms

- Recommended use: Sweeps fine particles indoors and outdoors
- Corn brooms have heavy-duty lacquered wood handles and a high bristle fill count
- 41354 Heavy-duty warehouse broom has metal retaining bands and strong synthetic stitching for long-lasting use
- 41350 Janitor broom has wide fan head for greater reach
- 41349 Housekeeping brooms provide excellent durability at an economical price
- 40634 is made of 100% corn fiber

Synthetic Corn Broom

- Recommended use: Indoors and outdoors on any type of surface
- Stiff flagged bristles sweep up particles and debris from any type of floor surface
- Metal shroud and band stand give extra support under heavy use
- Heavy-duty lacquered wood handle

FLOOR SWEEPS

41881
41880
shown with 40225 Handle

All Purpose Omni Sweep®

- Recommended use: Indoor and outdoor sweeping of all floor types
- Unique Omni Sweep's patent pending design combines the features of fine, medium, and heavy floor sweeps all in one convenient product
- Synthetic bristles have pitched angle for fast, effective sweeping on all types of floor surfaces
- Short, heavy bristles in front easily sweeps up heavy debris Long, fine/medium bristles in back sweep fine dust and particles
- Graduating trim from 1.63" to 2.38"
- Handles not included; see pages 251 & 252 for handle recommendations

Sweep Complete™ Floor Sweeps

- Recommended use: Indoor and outdoor sweeping of all floor types
- Plastic block with medium and heavy duty 3" PPY trim bristles
- Block has rubber squeegee on one side to help remove liquids without the need for a separate tool
- Includes 60", 3-piece aluminum handle with brace

Cash 'N Carry

Selected products also available in a cash 'n carry pack. See page 288.

36219618

36204824

40562

Fine Floor Sweeps

- Recommended use: Flagged bristles for fine powder and dust removal on polished wood, marble, terrazzo, or ceramic tile floors
- Fine floor sweeps use soak proof foam blocks to resist splitting and cracking and are unaffected by moisture
- Handles not included; see pages 251 & 252 for handle recommendations

Medium Floor Sweeps

- Recommended use: For general sweeping of smooth concrete, unpolished wood, vinyl and tile floors
- Medium floor sweeps use soak proof foam blocks to resist splitting and cracking and are unaffected by moisture
- Black natural tampico bristles have medium stiffness and excellent bristle return
- Black natural horsehair bristles combined with medium stiffness polypropylene provide medium to fine sweeping
- Black polypropylene bristles are extremely durable and maintain shape

36207218

45222
367624

40621
367618

Heavy Floor Sweeps

- Recommended use: For coarse, rough surfaces such as asphalt, textured concrete, textured tiles, or any other uneven flooring surface
- Heavy-duty maroon polypropylene bristles provide aggressive cleaning, maintain shape and are extremely durable
- Heavy floor sweeps use soak proof foam blocks to resist splitting and cracking and are unaffected by moisture
- Handles not included; see pages 251 & 252 for handle recommendations

Heavy-Duty Floor Sweeps

- Recommended use: For outdoor use on sidewalks, parking lots, entry ways, and storage areas
- Palmyra stalk fiber bristles provide heavy removal of trash and accumulated debris
- Orange polypropylene bristles provide long life without being affected by chemicals and solvents
- Rugged hardwood blocks provide durability for aggressive cleaning
- Handles not included; see pages 251 & 252 for handle recommendations

FLOOR & DECK SCRUB BRUSHES

Floor & Deck Scrub Brushes

- Recommended use: Cleaning kitchen floors and decks
- Provides excellent scrubbing characteristics and easy to use sizes
- Natural hardwood block

Dual Surface Brushes

- Recommended use: Cleaning under counters, around equipment, and along baseboards
- Floor scrubs are made with three different brush surfaces for cleaning at different angles
- Non-absorbent plastic blocks and synthetic bristles wash easily and prevent gathering of mold and mildew

Swivel Floor Brushes

- Recommended use: Clean baseboards, walls and around kitchen equipment
- The low profile design of our patented* Swivel Scrub® Brush allows it to get into places that would be impossible with a normal floor brush
- 40430 All-Around™ Brush has 4" x 9" swivel head with crimped polypropylene bristles
- 36219663 polypropylene-fill scrub comes with 48" handle

*U.S. Patent No. 4763377

Tile & Grout Brushes

- Recommended use: Removing stubborn stains from grouted tile
- 365320 has bevel cut stiff crimped nylon bristles and a swivel head for hard to reach areas
- 41323 with molded-in scraper is a dual purpose brush that can be held in your hand or used with a handle in two different positions for effective cleaning
- 41323 has FDA approved block and bristles
- Handles sold separately; see pages 251 & 252 for more handle recommendations

ROTARY BRUSHES

Only Carlisle Colortech™ Rotary Brushes Outlast Floor Pads More Than 200 To 1*

Featuring the Daily Cleaning Rotary Brush — specifically designed for cleaning of all high gloss floor surfaces while still maintaining floor shine. Ask your Carlisle Representative for more information.

Rotary Brushes Advantages Over Pads:

- Reduces packaging, storage, waste and lowers labor cost
- Eliminates pad tearing and the need to re-center pads
- Brushes perform well on all types of surfaces including new or old floors with uneven surfaces

* Based on an independent 2009 University of Illinois Colortech™ Rotary Brush Study – Durability/Sustainability

HANDLES

Carlisle offers a large selection of Flo-Pac® and Sparta® professional quality handles that include fiberglass, plastic, metal, hardwood, telescoping and flo-thru.

Color-Coded Fiberglass Handles

- Recommended use: During heavy use or in food contact areas
- More sanitary and durable than wood handles
- Self-Locking Flex-Tip Handle (41225, 40225, 40227) offers greater flexibility and reduces handle stress

Plastic Handles

- Recommended use: In food contact areas
- A variety of sizes with reinforced threaded tip

3-Piece Aluminum Handle

- Recommended use: With floor sweeps and in outdoor use
- Utilizes metal y-connectors to secure sections
- Packed in POS packaging for easy display
- Compact size saves on shipping costs

40224

Telescopic Handles

- Recommended use: For window brushes, squeegees and ceiling dusters
- Adjusts quickly to desired length

WOOD HANDLES & ACCESSORIES

Coated Metal Handles

- Recommended use: Alternative to wood handles; Duo-Sweep replacement handle
- Soak proof handles won't crack or splinter
- Plastic hanging cap

Wood Handles

- Recommended use: Outdoor use and/or as a economical alternative
- Made of lacquered hardwood for consistent dependability

Metal Threaded Wood Handles

- Metal end increases durability and handle life

Tapered Wood Handle

- Precision cut tapered end

Color-Coded Brush Rack

- Recommended use: Storing handles, squeegees and mops
- Heavy gauge aluminum rack promotes fast drying bristles and helps prevent handle breakage and damage to walls and counters
- Extra deep (2.25") frame extends out from wall to allow brushes to hang with bristles facing the wall
- Holds up to 10 drilled handle brushes or other kitchen tools
- Mounting holes are 16" on center, screws for mounting included

Roll 'N Grip Plus

- Recommended use: Storing handles, squeegees and mops
- Constructed of light-weight, durable ABS and rubber
- Fold-up hanging hooks for smaller items; hold up to 1.5 pounds each
- For use in temperatures from -4°F to 176°F
- Grips accommodate items from .63" - 1.25" in diameter and 0.4 - 8.25 pounds

MICROFIBER SYSTEM & DUST MOPS

Microfiber Dry Mops

- Recommended use: Perfect for healthcare and hospitality
- Traditional looped fringe keeps dust down
- Cut-end with microfiber center clings to dust like a magnet
- Quickly attaches itself to aluminum head
- Machine washable

3633118

3633218

3633519

Microfiber Wet Mop

- Recommended use: Perfect for healthcare and hospitality
- Dries quicker, cleans more thoroughly than a standard mop
- Looped end microfiber reduces drag on floor
- Machine washable and still effective with over 500 washings
- Quickly attaches itself to aluminum head

Aluminum Flat Mop Heads & Telescoping Handle For Microfiber

- Recommended use: With Microfiber Dry Mops and Wet Mops

Mop Heads

- Heavy duty construction and swivel mechanism
- For use with wet and dry microfiber flat mops

Handle

- 70" telescopic handle for use with Aluminum flat mop heads

3633670

3633519

Rectangular Microfiber Bucket

- Recommended use: With Microfiber wet mops
- Rectangular bucket with 6 gallon capacity
- Includes snap-on lid and clip-on plastic sleeve for window washers and squeegees
- Molded-in graduations
- Ergonomic handle for easy transportation

3633019

3647524

41672

Value Line Tie Back Dust Mops & Frames

- Recommended use: For daily sweeping of smooth indoor floors; great for schools, cafeterias, offices, etc.
- An economical choice for a cotton dust mop with full tie back
- Frame is constructed of heavy gauge metal
- Zinc plating reduces rust and corrosion

Wedge Dust Mop

- Recommended use: For daily sweeping of smooth indoor floors; great for schools, cafeterias, offices, etc.
- Cotton dust mop with frame
- Threaded handle hole
- Handles sold separately; see pages 251 & 252 for additional handle recommendations

Dust Mop Handles

- Recommended use: With Carlisle dust mops
- 364105 secures quickly to all dust mop frames; one-piece polyurethane connector requires no locking mechanism and provides 360° cleaning
- 362013 and 45850 have clip-on connectors that easily attach to dust mop frame; handle and frame combination give 360° cleaning

WET MOP BASICS

Use the guide below to help choose the right products for your floor care needs.

BANDSTYLES

Wide Band

Vinyl coated mesh. 5" Width

Narrow Band

Textured polyester tape. 1.25" Width

Screw Top

Textured polyester tape with a metal screw on attachment. 1.25" Width

YARN

- It is important to choose the right mop in order to get maximum efficiency
- Some yarns naturally perform specific cleaning tasks better than others

Yarn	Advantages	Disadvantages	Use
Cotton	Good absorption & retention with limited shrinkage & a low initial cost.	Break-in period required. Slow drying yarn leads to mildew & deterioration. Lints.	Designed for general use. Scrubbing & cleaning up liquids.
Synthetic	Long stable fiber offers excellent tensile strength without linting.	Higher cost. Poor absorption.	Rough surfaces.
Cotton/Synthetic Blend	Excellent choice for performance, price & durability. Synthetic fiber offers durability & color options.	Possible shrinkage.	Requested by professionals who require a better, longer lasting mop.
Rayon	Absorbs quickly with easy release. Dries fast & is mildew resistant. Cleaner yarn with less linting.	Shrinks when laundered and has less liquid retention.	Use for applying liquids such as disinfectant or floor finishes.

Yarn Ply

- The term yarn ply = number of strands twisted together to make a single yarn strand
- Although more plies give added strength, it does not always mean higher quality yarn
- More strands can add durability, but they decrease absorbency
- It is better & more cost effective to choose a higher quality yarn than a high ply, low quality yarn

Twist

- The "twist" of a yarn is a result of how tightly the fiber strands are wound together
- A tightly twisted yarn might have more strength & last longer, but it can have less absorbency
- The best choice is determined by the type & quality of the yarn, as well as the mop's construction
- Mops with looped-end construction allow the yarn to have a loose twist without the fraying

CUT-END VS LOOPED-END MOPS

Cut-End

- Cut-end mops are the most popular
- Low purchase price & perceived as economical
- Cannot be laundered & must be purchased more often, making the ultimate cost higher
- Cover less area per pass when mopping
- Cut end mops fray & unravel with use & have a tendency to leave behind loose strands & lint

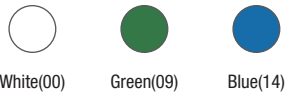

Looped-End

- Outlast cut-end mops 8 to 1
- Superior performance & last longer than cut-end style mops
- Launderable
- Their tailband style gives better mopping coverage
- The looped-ends prevent fraying & unraveling so you can enjoy reduced labor costs & lower replacement cost
- Although the initial cost may be more expensive than a cut-end style, the life expectancy makes looped-end mops a more economical choice

MOPPING SOLUTIONS

Synthetic/Cotton Blend Looped End Mops

- Mops are not pre-shrunk
- Brick Pack reduces cube up to 62%
- Handles sold separately

Double Bucket Mopping Systems

- Recommended use: For mopping heavy traffic areas with a lot of dirt
- Utilizes indexed, bucket-within-bucket design to separate dirty from clean water
- Dividing water reduces weight when emptying and makes it easier to set up for replenishing cleaning solutions
- Divided buckets minimizes contamination of cleaning solution by dirty water
- 36906DW's wide platform base adds extra stability to minimize spills in high traffic areas

Cash 'N Carry

Selected products also available in a cash 'n carry pack. See page 287.

Mop Bucket/Wringer Combos

- Recommended use: Daily mopping
- Made of durable, corrosion resistant polyethylene
- Non-marking casters
- Available in 26 or 35 quart sizes
- 36908 is excellent for use in space constrained environments where larger mop buckets are not feasible
- Individual Side Press Wringer available – fits both 26 quart (36908) and 35 quart (36904) mop buckets

FLOOR & RESTROOM MAINTENANCE (CONT)

Bowl Brushes

- Recommended use: For cleaning toilet bowls
- Bowl brushes are available in a variety of styles and bristle materials
- 40140 has 180° bristle head to prevent splash-back
- 36232 and 36233 have all-natural cotton yarn securely attached to smooth wood handle

Ergonomic Force Cup

- Recommended use: For unclogging sinks, floor drains and toilet bowls
- Ergonomic design maximizes applied force while maintaining ease and longevity of use
- Overmolded rubber handle for easy grip
- 21" plastic handle is non-absorbent and more sanitary than wood handles

Boot 'N Shoe Brush

- Recommended use: Place by kitchen exit
- Helps eliminate dirt, and other contaminants from being tracked into food prep and serving areas
- Chromed steel tube frame can be bolted to floor for security; brushes flip up to expose a steel scraper
- Non-absorbent foam block construction with long lasting blue polypropylene bristles

TRANSPORTATION

Fold 'N Go® Carts

- Folds and unfolds in a single, quick and easy motion
- Each cart holds up to 350 lbs (approximately 116 lbs per shelf)
- Collapses to 9" width and 10.5" width; stores easily behind doors, in between counters, or back of delivery vans
- All bolts are lock-tight secured to remain tight even after extended use
- Sturdy polyethylene shelves are easy to clean; top shelf has ergonomically shaped easy grip handles at both ends for a fast, secure grip
- SBC1521 shelf measure 20.5" L x 15" W; SBC2031 shelf measures 31.5" L x 18.5" W; with 11.5" shelf spacing
- 4" heavy duty non-marking swivel casters with molded-in metal reinforcement plates are permanently staked to .75" solid aluminum legs for longer life and added strength and rigidity
- Cart ships fully assembled; no tools or complicated latches required
- Replacement parts are listed on page 303

SBC1521

SBC2031

Easily folds with one hand

Licensed Product under U.S. Patent No. 5806864

Bussing Carts

- Durable construction stands up to the toughest use
- Shelves are textured to minimize scratches and provide a better grip
- Convenient knockdown design is easy to assemble
- Available with optional back panels to hide clutter or locking doors to secure sensitive items like liquor or cleaning supplies (15" x 21" size only)
- Replacement parts are listed on page 303

CC2036DP, available with locking doors and side panels to secure sensitive items

DISH DOLLIES

ADD4

ADS4

Optimizer™ Adjustable Dish Dollies

- Adjustable dividers eliminate the need for individually sized dollies
- Dollies hold plates from 5.5" to 12.5"
- Polyethylene dividers and walls help prevent dish edge chipping
- Two-handed access to all plates reduces breakage
- Non-marking casters (2 locking, 2 non-locking) for easy transport of loaded dollies
- Includes vinyl cover with easy-opening hook & loop side included for sanitary storage
- Replacement parts are listed on page 303
- NSF Listed

ADD4, ADD6 Optimizer Dollies Also Feature:

- Most flexible dolly available; holds trays, plates, and platters
- ADD6 holds oval platters from 9.5" x 7.25" to 13.5" x 10.5"
- Holds 5 stacks of 9.88" to 11.25" plates; 25% more than any other similar dish dolly
- Holds 8 stacks of 5.5" to 8.25" plates; 33-50% more than any other similar dish dolly (up to 50 or more plates per stack, depending on plate profile)
- Use 2 to 4 dividers for 10" or larger plates; 6 dividers for 8" to 9.75" plates; 8 dividers for 8 stacks of 7.75" or smaller plates
- 2 dividers for 13.5" x 10.5" platters; 6 dividers for 9.5" x 7.25" to 12" x 9.25" platters.

ADS4, ADS8 Optimizer Dollies Also Feature:

- Smaller size fits through narrow corridors or under tables
- Flexible configuration holds a variety of plates and platters

JANITORIAL CARTS

Janitorial Carts & Accessories

- Rugged polypropylene resists cracking, peeling and corrosion
- Three durable shelves with raised edges keep items organized
- Platform base holds a Bucket/Wringer or 23 gallon TrimLine™ Waste Container
- Includes a 25 gallon nylon bag for waste or laundry collection
- 3" standard Carlisle non-marking swivel casters in front; large 8" non-marking rear wheels

Integrated tool holders, shelves, and hooks keep everything organized including unwieldy handles.

Front hooks hold most standard Wet Floor Signs. Built-in hanger holds multiple spray bottles.

Structurally reinforced base and heavy-duty casters/wheels withstand rough use – holds up to 300 lbs.

Tough 25 gallon nylon bag easily attaches to cart arm. Hooks on top of arm to hold trash liners in place. Arm swings up for more compact storage when not in use.

JC1945S

Cash 'N Carry

Selected products also available in a cash 'n carry pack. See page 288.

Roll-Away Container

- Same sturdy construction as our Bronco Containers
- Super heavy-duty axle and oversize traction wheels make hauling heavy loads easy
- Unique handle design gives positive grip even when wet
- Deep-pocket foot tilt for simple maneuverability
- Sturdy hinged lid flips open 270° for access – snaps shut tight
- Custom hot stamping is also available; see page 297 for more information
- NSF Std 21 - meets the criteria for Thermoplastic Refuse Containers
- NSF Std 2 - meets the criteria for food contact and cleanability

345050

56 Gallon Container

- Rugged construction and pleasing aesthetics for high volume applications both indoor and outdoor
- Integrated bag stays and venting channels allow for easy bag retention and removal
- Can be used in conjunction with two 23 gallon TrimLine™ Containers for further separation of debris
- Hooded top with large openings allows for easy insertion of rubbish while sheltering contents from weather
- Optional rigid liner available

WASTE CONTAINERS (CONT)

Step-On Containers

- Sturdy construction stands up to heavy use while maintaining appearance
- Hands-free design minimizes contact with food or paper waste and the easy-access foot pedal holds up to extensive use
- Color-coded lids are useful when needing to designate recycling, biohazard or other segregated work zones
- Constructed of non-metallic polypropylene, containers are chemical-resistant and corrosion-proof
- Step-on cans assist in complying with OSHA regulation 29CFR 1910.1030 "Occupational and Bloodborne Pathogens"

OSHA

A 3D cutaway diagram of a food processing plant layout. The plant is divided into several color-coded zones: red (top left), yellow (middle left), purple (top right), orange (middle right), blue (bottom left), and green (bottom right). Each zone contains various pieces of equipment and machinery. The diagram is shown from an isometric perspective.

Plant Sanitation Guide
 Step-On Containers are perfect for food processing applications.
 For more information, check out our Sanitary Maintenance Catalog.

Office Wastebaskets

- Economical polypropylene containers withstand everyday use
- Smooth rims, rounded edges, and corners add structural support and make cleaning easy
- Smooth inner surface makes cleaning easy

Fire Resistant Wastebaskets

- Ideal for use in areas or applications requiring an extra degree of fire protection including schools, health care, and hospitality
- Non-metallic BMC containers with textured finish minimizes appearance of scuffs and scratches
- UL Listed

Welcome to our **Reference Guide**

Index

Custom Imprinting	292-297
Durus® Warranty	304
Kitchen Brush Guide.	290 & 291
Replacement Parts.	298-303

Here, you will find basic information on how to get custom decorated or logo'd products and find replacement parts for Carlisle products you already have. The index at left will guide you through this section. Page references will direct you back to the catalog section where specific products are located. All information is listed in catalog order.

Visit us online at www.carlislefsp.com

We also offer extensive on-line resources where you can find more in-depth information on all of our products. Our convenient Web site (www.carlislefsp.com) is packed with everything you could ever need to know about our products and services. Information like:

- Complete Technical Specifications for all Carlisle products – including dimensions, capacities, material content, electrical information, and more
- Product Specification Sheets
- Care and Use Instructions
- Details on our many money-saving Warranties
- Dinnerware Shapes and Profiles
- Additional Replacement Parts
- Food Bar Pan Layouts
- OptiClean Glass Rack Sizing Guide – including convenient glass-to-rack reference guides for all major Drinkware manufacturers along with our exclusive Glass Rack Wizard
- Brush and Bristle Guides – to help you select the proper brush for any cleaning job

To access this and other helpful information, please go to www.carlislefsp.com.

You can locate all of our product Tech Specs – dimensions, capacities, material, and more by visiting our website and selecting the Tech Specs tab on the section intro. This information is also easily accessed from any of the individual product listings in our on-line catalog.

And to learn about all of our latest new products please be sure to visit www.carlislefsp.com.

Carlisle's easy to navigate web site also has other guides and helpful information to help you select the products that are right for you. You can also see how to qualify for rebates and other special offers direct from Carlisle that can save you hundreds of dollars on the professional quality foodservice and cleaning tools your operation uses every day.

CUSTOM IMPRINTING

Camera-Ready Artwork For Silkscreening

- Camera-ready artwork is required for ALL imprinting. Camera-ready art is defined as a sharp black and white image enlarged or reduced to proper size, ready for reproduction. Artwork must be clean with clear, crisp detail. Camera-ready artwork **DOES NOT INCLUDE** business cards, letterhead, or faxed-in logos. Artwork can also be sent on a CD, USB, or e-mailed (call to get address). Digital artwork must be high resolution 300 DPI in an EPS or TIFF format. Artwork should be sent in the original format in which it was created. Artwork must also be properly separated when more than one color is used.
- At customer's request, we will prepare camera-ready art at an artist fee of \$100.00/hour.
- Since the design possibilities are governed by the item to be imprinted, details of all artwork must be submitted to Carlisle FoodService Products for consideration before an order can be accepted.

Samples

- With a firm order, we will provide ONE sample for approval before final production.
- A NET charge of \$75.00 must be paid in advance to request one imprint sample without a firm purchase order. This charge also applies if your order is cancelled after receipt of sample, prior to production. The \$75.00 NET charge is in addition to the set-up charge.

Set-Up Charge

- \$50.00 net for one color, one side. \$25.00 net for each additional color and side.
- One-time film charge of \$15.00 net per color. Charge covers 8.5 " x 11" film; larger size film will cost more accordingly.

Terms

- Delivery of plus or minus 10% within the quantity ordered constitutes fulfillment of the order and payment shall be made on the basis of actual delivery.

Returns

- **Custom decorated products are not accepted for exchange or refund.**

Case Lots

- All orders sold in full case lots only.

Questions

- Contact your local Carlisle Sales Representative or your Customer Service Representative for more information.

DURUS® WARRANTY & CARE

Durus Dinnerware 4 Year Limited Warranty

Durus Dinnerware is shown on pages 6-9. Durus must be handled like any fine dinnerware. Carlisle FoodService Products agrees to extend a limited four year Warranty against breakage on its Durus line of dinnerware provided that the following procedures for care are observed:

- Do not use steel wool, harsh abrasive pads, abrasives, or scouring compounds, chlorine bleach, or chlorine based solutions in the washing process of this dinnerware. Do not intentionally strike or bang against counters or hard objects to remove debris. All debris should be removed by hand using a nylon or silicone plate scraper, sponge, or soft bristle brush. Do not place Durus dinnerware in a standard oven or microwave oven. Do not expose Durus to direct flame or dry heat over 180°F.
- Upon receipt of your shipment, complete one Warranty Card enclosed with your purchase. If this card is not completely filled out and forwarded to Carlisle FoodService Products, the Warranty is null and void.
- This Warranty herein extends only to the original user (purchaser), and is not assignable, or transferable, and shall not apply to any parts which have been subject to alteration, misuse, negligence, or accident. This Warranty does not cover chipping or staining of the product.
- Should any breakage occur during the limited Warranty, which commences on the date of delivery or receipt, please contact Carlisle's Customer Service Department at 800.654.8210 for return authorization and shipping instructions.

In light of the express four (4) year Limited Warranty provided by Carlisle FoodService Products, the duration of any implied warranties, including any implied warranties of the merchantability of fitness for a particular purpose, is hereby limited in all respects to the period covered for the express Warranty. Except for its Warranty obligations, Carlisle FoodService Products shall not be liable to the purchaser or to any other person, to the maximum extent permitted by law, for any loss or damages of any kind, including but not limited to, incidental, special, or consequential damages or loss of profits, arising out of or in connection with the use, loss of use, or replacement of the warranted products. Misuse, abuse, negligence, or failure to follow the Durus care and use instructions will render this warranty null and void.

How to Care for your Durus Dinnerware

- Do handle Durus like any fine dinnerware.
- Use only non-abrasive cleaning pads that do not contain any mineral grit as this will scratch the melamine surface, or use any Carlisle plastic bristled brush to remove dried-on food.
- Do pre-soak Durus, if desired with a non-chlorinated presoak.
- Do remove hard water film, food residue, and dried-on stains using a simple paste made from an oxygenating or alkaline presoak powder according to detergent manufacturer's directions.
- Do wash Durus in a good quality, non-chlorinated, highly alkaline dishwashing compound.
- Do not place Durus in a microwave oven.
- Do not place Durus in a conventional oven.
- Do not expose Durus to direct flame or dry heat over 180°F.
- Do not use harsh abrasive cleaner, steel wool, or metal scouring pads.
- Do not use chlorine bleach or chlorine based cleaning/sanitizing solutions.
- Do not overload dishwasher racks.
- Do not strike or bang Durus to remove food debris.

CARLISLE | DINEX®

As a part of the Carlisle family Carlisle | Dinex is known as a leading manufacturer of traytop ware and disposables for today's healthcare industry. Our complete trayline and meal-delivery equipment systems as well as systems for induction base heating and cook-chill retherm are the best in the industry. For more information on any of these great products or a copy of the Dinex catalog visit us at www.carlislefsp.com.

MARKO

A CARLISLE COMPANY

The best line of easy-care, made-to-measure table linens is just a call or click away. Marko

By Carlisle offers a complete selection of table coverings, skirting, napkins, and more in a huge variety of colors, styles, and fabrics all custom sewn to your specifications, one company is all you need for all of your linens.

Visit Marko at www.carlislefsp.com.

CARLISLE

SANITARY MAINTENANCE PRODUCTS

Did you know that Carlisle manufactures one of the single largest lines of specialty cleaning tools in the world? In addition to our Sparta® brand brushes, the industry standard for foodservice and food processing operations the world over, we make every tool you need to keep your operation sparkling. Visit our online catalog at www.carlislefsp.com.

CARLISLE

FOODSERVICE PRODUCTS

TERMS & CONDITIONS

1. Terms and Method of Payment

- a. All orders are subject to approval and acceptance by SELLER. No order accepted by SELLER shall be subject to cancellation, termination, suspension, change, reduction, cutback or other modification except with SELLER'S prior written consent.
- b. Unless otherwise specified on the sales order or invoice, terms shall be cash with order, letter of confirmed credit, or sight draft attached to bills of lading or other shipping documents at SELLER'S election. Where SELLER has extended credit to BUYER our standard terms of payment shall be .5 of 1% 10 days – net 30 days from invoice date. The amount of terms of credit, if extended, may be changed or credit withdrawn by SELLER at any time. No orders will be shipped on a COD basis.
- c. Prices do not include federal, state or local taxes, duties or other levies, now or hereafter enacted, applicable to the items deliverable under the sales order or invoice (hereinafter called ITEMS), which taxes, duties, or other levies will be added by SELLER to the sales price and will be paid by BUYER unless BUYER provides SELLER with a proper exemption certificate.
- d. Packaging for commercial shipment is included in the contract price. Any special packaging, crating or shipping instructions must be noted on BUYER'S original order and acknowledged by SELLER.

2. Title and Delivery

The ITEMS shall be delivered F. O. B. SELLER'S plant, and title thereto shall pass to BUYER, upon SELLER'S delivery of the ITEMS to a common carrier for shipment to BUYER. All items from the Carlisle FoodService Products catalog may be combined to obtain prepaid freight, regardless of the shipping point. Freight is prepaid on all orders totaling \$3,000 net or more to one destination within the contiguous 48 United States. Freight on prepaid International Shipments will be paid on normal ground transportation from shipping point to the consignee. When the order qualifies for prepaid freight, Seller shall have the right to select the means of transportation. If Buyer requires a means of transportation other than the one normally selected by Seller, any extra cost incurred by reason of using such other means shall be paid by Buyer. Palletized international orders requiring heat treated pallets will be charged \$4.25 net per pallet. International orders requiring heat treated certified bark-free pallets will be charged \$18.50 net per pallet. Any accessorial charges incurred because of a customer request will be the responsibility of the requester. Any items backordered from a prepaid shipment will be forwarded prepaid. Items backordered from ex works shipments will be forwarded ex works.

3. Inspection and Acceptance

Thoroughly inspect all shipments. Do not accept a damaged or short shipment until exception is noted on the freight bill. BUYER will be held responsible for all shipments with freight bills signed free and clear. If concealed damage is discovered, contact the freight company immediately for inspection. Concealed damage must be reported to the carrier within 7 days of receipt. All damaged goods and shortages that are not properly documented and reported upon receipt become the sole responsibility of the BUYER.

4. Patent Indemnification

SELLER shall protect and indemnify BUYER and its directors, officers, agents and employees against all claims for damages or profits, including all reasonable costs incurred by BUYER in connection therewith, arising from infringement of patents, copyrights, trademarks or misappropriation of designs.

5. Returns

No returns will be accepted without an authorization number from Carlisle Customer Service. An authorization number may be obtained by calling 800-654-8210 and requesting a Return Authorization from Customer Service. All requests for return must occur within 90 days of the original shipment of the product unless special authorization is obtained. Merchandise returned without authorization will be refused and returned to the customer, freight collect. Any merchandise must be returned freight prepaid, and is subject to a minimum of 15% restocking charge. After 90 days, a 25% restocking fee applies. All returned goods must reference the original invoice and purchase order. Returned goods must be in original standard packs and in unused salable condition. Special Order Products will not be accepted for exchange or return. This includes any articles custom imprinted or modified by purchaser.

6. General

- a. All prices are list and subject to change without notice. Orders from authorized accounts will be accepted with the understanding that prices are those in effect at the time of shipment. These prices are exclusive of all sales taxes which may be levied by State, Federal, or City governments.
- b. Orders less than \$50.00 net will be charged a \$10.00 handling fee. The initial order requirement for a new customer is \$3,500 net, and must be accompanied by a tax exemption certificate.
- c. Orders calling for less than a standard case pack will be charged \$3.50 net each per broken case.
- d. All orders of custom products are subject to shipment of plus or minus 10% of the quantity ordered.
- e. No ITEMS to be furnished hereunder shall be exported by BUYER unless SELLER is first notified in writing of the intention to so export and all applicable regulations and licenses are complied with and obtained by BUYER or its customer.
- f. SELLER hereby certifies that the goods described herein of its manufacture will be produced in compliance with all applicable requirements of Sections 6, 7 and 12 of the Fair Labor Standards Act, as amended, and all order of the United States Department of Labor issued under Section 14 thereof. SELLER further certifies that it is in compliance with the Equal Employment Opportunity clause in Section 202, paragraphs 1 through 7 of Executive Order 11246, as amended, relative to equal employment opportunity and the implementing Rules and Regulations of the Office of Federal Contract Compliance.
- g. SELLER is not responsible for typographical errors made in any of its publications or for stenographic or clerical errors made in preparation of quotations, sales orders, acknowledgments, or invoices. All such errors are subject to correction.
- h. This agreement shall be governed by the laws of the state of Oklahoma.
- i. SELLER'S "Terms and Conditions" as set forth above shall govern all transactions. Any inconsistent terms of BUYER wherever set forth and whether oral or written, shall not be binding upon SELLER unless agreed to by SELLER in writing. No waiver or exception to any of the hereinabove enumerated conditions or any of the special terms and provisions relating to any order shall be binding upon SELLER unless agreed to in writing by SELLER.
- j. SELLER reserves the right to change or discontinue the color, design, component content or price of any ITEMS in SELLER'S catalog or published price lists without prior notice at any time.
